Who doesn't think of summer as a time for going places, doing things with a flourish? Certainly you do, or you wouldn't be lingering over that Chevrolet Impala Super Sport\* Convertible, quite a flourish in itself.

The Impala Super Sport's summery spirit extends from fresh styling outside to sumptuous comfort inside. On the go, all Chevrolets offer a wide choice of optional-at-extra-cost engines and transmissions that

whisk you away with a lift like school just got out. Lift up to 425 hp and we need only mention our popular 340-hp Turbo-Fire 409\* in passing (which, incidentally, is where this one excels) to give you an idea.

And think how much more fun your holiday would be in a Chevrolet as new as the season! Your timing couldn't be better: your Chevrolet dealer is celebrating Trade 'N' Travel Time right now. \*Optional at extra cost
