LEARN THE FACTS ABOUT

The Secret of Buying Hospital Insurance that **PAYS**

DOCTOR BILLS often are a big part of the expense connected with a sickness or accident. An American Republic Plan can help pay these bills for you in time of need.

SURGEONS' BILLS, TOO, can wreck a family budget. An American Republic Plan can help pay the costs of operations. Look for the man who can explain these plans to you.

HOSPITAL EXPENSES have been going up at the rate of nearly 1% a month since 1950. An American Republic Plan can help pay these bills when you need money most.

On its record of paying claims—the most important way to judge any insurance company—American Republic ranks Number One among the "Top 40" firms in its field. The few minutes it takes you to learn about American Republic "Tailored" Protection may be worth hundreds of dollars to you—at a time when you may need every cent you can lay your hands on!

Today, eight out of ten families have some kind of hospital, surgical or medical insurance. But the need for this type of protection is greater than ever. Hospital and medical care costs have been going up nearly 1% each month since 1950. If your present policy is two years old or older, and was adequate when you bought it, the chances are good that you need more coverage right now.

Even if you already have hospitalization insurance, American Republic TAILORED Protection can start where your present coverage leaves off. And it pays fully stated benefits in addition to any amounts you may collect from any other health insurance policy you may now have.

With over 900 companies writing individual accident and health insurance, how can you choose the company that's best for you? Experts say the best way is to ask: *What is the company's record for paying claims?*

American Republic Representatives are now contacting residents of this community to explain American Republic TAILORED Protection. One of these representatives will call on you soon. Watch for him.

According to the latest available issue of the Statistical Edition and Argus Chart of the National Underwriter Company, publishers of official insurance statistics since 1897:

FREE FILM SHOWING IN YOUR OWN HOME

Of the top 40 companies writing individual accident and health insurance, American Republic Insurance Company of Des Moines, Iowa, ranks **FIRST** in percent of premium dollars paid to policyholders in claim benefits.

Fully-qualified, specially-trained American Republic Representatives are pledged to show an educational and informative color film to all residents of this county. The American Republic TAILORED Protection Plans will be fully explained and will be available to all who qualify.

American Republic policyholders also enjoy the important benefits of TAILORED Protection. This feature makes it possible for qualified people OF ALL AGES to have up-to-date health insurance protection—and, at the same time, avoid buying coverage they may not want or need.
