Games Played at Mehama Club Meeting

MEHAMA — The Women's Club met at the firehall Thursday evening, November 21 with 12 members and one guest present. Several committee reports were given including the street light committee which said there was still some money to collect on the 1963 lights. A short report was given on the recent County Federation meeting in Salem and it was voted to send a gift of money to the Children's Farm Home at Corvallis. It was decided to hold the December meeting on the 12th instead of the 19th due to conflicts with Christmas programs. The members will have a gift drawing of home cooked or baked food at the Christmas meeting. A special program is also being planned.

Several games were played after the meeting closed with Mrs. J. M. Teeters, Mrs. Don Callahan and Mrs. James Owens winning prizes. The hostesses Mrs. Raymond Branch, and Mrs. Lilly Wolfkiel used the Thanksgiving motif in the decoration and served refreshments of assorted sweet rolls at a long beautifully decorated table.

RAMBO'S RAMBLINGS

By Goldie Rambo After the millions of words that have been said in tribute to President John Fitzgerald Kennedy and all the bizarre happenings over the weekend, my tiny column makes hardly a dent.

Still, I cannot but feel that I must humbly pay my respects and extend my sympathy with a few words.

I think I feel like millions throughout the world; such a sense of personal loss at the untimely passing of our valiant president.

The mourning all over the world and the dignitaries that came here for his funeral from almost every country certainly showed the great respect and esteem in which he was held. It is a terrible happening which we will not soon forget and so many of us thought that a thing like that could never happen in our civilized world.

We were complacent too, at the time of Pearl Harbor. Perhaps things like this must happen occasionally to get us back on the right track, but it seems a terrible price to pay.

The tragedy of the assassination will certainly dampen the spirit of Thanksgiving but we must remember that we have many things for which to be thankful.

In so many countries a thing like this would have thrown the government into complete chaos. But the switchover to a new president here was smooth although I am sure his path

will be far from that.

So as this Thanksgiving day dawns, great numbers of us will observe it in the spirit of our forefathers. If so, it will truly be a day of thanks for the blessings of the past, broken with troubles as they may have been—and a day in which we will find new courage to meet whatever is to come.

Then above all, it will be a day in which we realize deeply another thing our forefathers knew—that, under God, each individual human being owes an everlasting debt of duty and responsibility to his family, his neighbors, his city, state and his country.
