

Founders Day Noted At PTA Meeting

The February meeting of the Santiam PTA was held at the elementary school cafeteria room with Mrs. Dave Barnhardt presiding. The invocation was given by Rev. Richard Cole and Mill City Boy Scout Troop No. 49 presented the flag.

Miss Jewell Boone's 4th grade room won the room count attendance for the month. The PTA made a recent contribution to the Oregon Congress of Parent and Teachers for their scholarship fund and a letter of thanks was read from that group.

Members of the nominating committee to present slate of new officers were selected with Eleanor LaMunyan, Mary Wright and Nadine Westrick to serve on the committee.

Mrs. Barnhardt announced that Career Day was being set up at the high school with parents of the school service committee to contact local business houses for co-operation in the program.

Vernon Peterman suggested that a recognition night for adult leaders of the Boy Scout program in Mill City be held and this will be done in conjunction with the juvenile program to be held in April.

Mrs. LaMunyan announced that there would be a medical self-help program available which could be used in case of disaster. This is more than a simple first aid course and is to be used when the services of a doctor are not available. Those interested are asked to contact Mrs. LaMunyan.

It was announced that a health clinic would be held at the Mill City grade school February 18 and at the Gates Community clubhouse March 31.

At the March PTA meeting a report will be heard on the recent school evaluation.

Following the business meeting Mrs. Hazel Leaming, program chairman, introduced Mrs. Fred Berg who led a panel discussion. Representing home problems was Mrs. Albin Cooper; church, Rev. Jack Meuser, and school, Vernon Peterman. There was discussion following the panel on the part of the PTA meeting in these groups.

The meeting also observed Founder's day with a group of 8th grade mothers serving an appropriately decorated cake.

LETTERS TO THE EDITOR

Lyons, Oregon
February 14, 1964

received!

The churches must unite to fight against Bible banishment NOW before ALL reference to God is removed from our Public Schools.

Womens Society of Christian Service,
Lyons Methodist Church

To the Editor:

"But Mother, our teacher says we don't say Grace any more." This was the answer received by the mother of a 7-year-old when asked why she did not wait for Grace to be said at dinner.

Are we as Christians going to sit quietly by and do and say nothing when our children give us answers of this kind? Surely the will of a few atheistic peoples cannot be allowed to set the rules for all! If the wishes of a few can have some of the good taken from our schools the wishes of many can have it returned.

We, as Christians must fight to save the principles on which our Country was founded. Do we see our Founding Fathers preparing the Constitution without giving Thanks to someone? Perhaps someone can explain the horrible evil of a little child saying "thank you" for a gift
