Detroit Pre-School Meeting Date Set

The Marion County Intermediate Education District and the Health Dept., has scheduled a series of pre-school readiness meetings for parents and children in county elementary school districts.

Children who will enroll in the first grade next fall will be given hearing and vision tests by personnel from the Oregon State Board of Health while their parents are given school information by the principals, public health nurses, and first grade teachers. Each meeting will last about one and one-half hours. This is the first year that the hearing and vision screening is being provided by the State Board of Health for pre-schoolers. It will enable parents to arrange for any needed corrections, such as eye glasses, before the child enters school.

Parents and pre-schoolers are urged to attend the meetings planned for their districts.

The above outlined program will be held at Detroit Elementary school April 28 at 1:30 p.m.

Lt. Richard Bonn Gets Navy Honors

Mill City friends of Connie Stewart Bonn will be interested to learn of honors received by her husband, Lt. Richard I. Bonn, USNR. He has assumed the duties of Retention and Public Information officer at the Eureka, Calif. Naval Reserve unit. He was transferred from Seattle.

He is a graduate of Oregon State University and was later commissioned an ensign. He then served on the US Merrick where he was a gunnery officer and Boat group commander.

During his last two years of duty he participated in the Cuban blockade and was subsequently awarded the Armed Forces Expeditionary Medal.

Lt. and Mrs. Bonn have two children and she is working in an office while he completes graduate work in game management at Humboldt State college along with his other duties.

Former Mill City Student Joins Navy

Scott Lewis, grandson of Mr. and Mrs. Martin V. Kelly, has informed them from Honolulu, Hawaii that he has enlisted in the Navy under the "cache" program which is designed for high school seniors and college students. By enlisting now, he has a choice of Navy technical schools, plus four months' seniority and an automatic pay raise when he goes on active duty in June after his high school graduation. The enlistment is for four years. He hopes to go into Sonar and if he can earn a commission he plans to stay in the Navy.

Scott will be aided in the Navy by his three years experience in high school ROTC. There are now seven schools in Honolulu participating in the ROTC program. Two years training is compulsory and cadets for the third year training are selected and commissioned officers. Scott was recently promoted to the rank of cadet captain in ROTC.

He attended school in Mill City in 1955-56 and again for a short time in 1962.
