Carry it to a cold spot

When the evenings get chilly, just plug in the extra heat you need. Plug it in where you want it, when you want it. You'll get instant comfort. And there's no need to worry about flues or ventilation with a portable electric heater. It's absolutely flameless. So, if you have any cold spots in your home, see an electrical appliance dealer soon. Carry home some instant comfort.

a GREAT CHRISTMAS GIFT!
