**It was reported recently in the Police Bulletin** that Fred Gnuschke of Lyons was cited for not stopping at a stop street in Mill City at a stop was thrown out of court by the judge.

## Anti-War Poem

By Hugh Durall

Can a Christian go to war  
And kill someone he loves;  
When he knows Jesus is watching  
From His throne, in heaven above.

God has simply told us  
Just what we ought to do;  
Love your neighbor as yourself  
And love your enemy too.  
We cannot go forth to hate  
And kill  
When Jesus is our guide,  
Through faith in Him we were born again  
And in His love abide  
Jesus suffered on that cruel cross  
To pay the debt we owe;  
By faith our sins were blotted out,  
This is something we ought to know.  
The Devil, the prince of this world  
Rules with an iron hand;  
He tells the nations what to do  
All over this wonderful land.  
The Devil is boss of our law makers  
Because he is the prince of this land;  
He is their lord and master  
He rules with his own bloody hand;  
Our nation says to go to war  
And hate and destroy and kill;  
But the word of God tells us  
It is not, our eternal God's will.  
Our rulers pass laws to draft the boys  
That haven't got brains to vote;  
And put them in the malaria swamps  
Because they are the goat.  
Think it over my brother  
My brother L. B. J.  
When you stand before the judgment  
Just what are you going to say.  
I bombed and destroyed in Vietnam  
And women and kids I killed;  
I didn't regard the helpless  
And innocent blood I spilled.  
Jesus our loving saviour  
Did warn you what to do;  
And with His righteous judgment;  
Depart, I never knew you.

New homemakers, your husband will appreciate this suggestion from Elaine Carlson, Extension clothing specialist at Oregon State University. Encourage him to shift his wallet from the hip pocket to some other pocket. In the first place, it does a wallet no good to be sat on dozens of times during the day. Also, the pocket gets stretched out of shape. Remember, too, some people call the hip pocket the "idiot pocket" because it is the easiest one for a pickpocket to pick.

# OBITUARIES

## C. E. (PINK) MASON

Memorial services were held for Clarence Everett Mason at 2 o'clock p. m. Saturday, March 11 in the Presbyterian church, with the Rev. James Murray officiating. Mr. Mason passed away early Wednesday morning at a Portland hospital following surgery and a 10-day illness.

"Pink" Mason, as he was affectionately known here by practically everyone, was born October 31, 1894, in Findley, Ohio, one of five sons of Wesley and Gertrude Kelly Mason. As a young boy, he came with his family to Mill City where he received his education in the local school. He was married to Georgia Lee Brown in August, 1918. The Mason family had lived in Silverton for a short while, as did the newlyweds. "Pink" and his bride soon moved back to Mill City and lived in the house in Linn County, formerly owned by her grandparents, the Jacobs. Later, they moved to the home on N. W. Alder Street, in Marion county, which was still his residence. Mrs. Mason passed away in 1961.

Pink's first job was carrying water for the men at the old sawmill, then later he was a "skidder" for the logs. He was an electrician for Hammond Lumber company for many years, then was manager of the Shell Service station for 25 years. The station became a well-known "Sportsmen's Information Center," as Pink was known to be one of the best fishermen in the Canyon. He also enjoyed hunting and ranching, having established a cattle ranch near the cemetery between Gates in Mill City. A long-time member of the board of education, Mr. Mason also served on the City Council for many years, and as street commissioner was instrumental in getting many miles of streets paved and improved for the city.

Surviving Mr. Mason are one daughter, Mrs. Carl (Dorothy Dean) Kelly; three grandchildren, Karen Jean, Carl Hall, and Patrick Kelly, all of Mill City; one brother, George Mason, of Salem; and numerous nieces, nephews, and cousins.

Interment was at Fairview cemetery. Serving as pallbearers were Lee Ross, James Swan, Art Hedge, Curtis Cline, Art Kerr, and Veryl Hoover. In charge was Weddle Funeral Home, Stayton.

Soloist at the memorial service was Mrs. Donald Sheythe, with Mrs. Lee Ross as organist.

## KATHRYN HOLLAND

Mrs. Kathryn Holland, 52, of Lacombe, was found dead Tuesday morning at H&H Cedar Products mill of a bullet wound, apparently self-inflicted. Police here said the bullet came from a .22 calibre pistol.

It was reported the body was found by her husband near a trailer house she and her husband occupied at the shake mill in which they were partners with Ervie B. Hietala. The mill is located in Fox Valley west of Mill City. The Holland home is at Lacombe.

Mrs. Holland came to Lacombe eight years ago from Pioneer, Ohio, where she was born.

She leaves her widower, Herbert; mother Mrs. Lottie Goller, Pioneer Ohio; brother, Richard Mercer of Sturgis, Mich.; sisters Mrs. Marge Fiser, Waldron, Mich., Mrs. Joyce Johnson and Mrs. Mary Herring of Hillsdale, Mich. Mrs. Martha Porath of Portland.

Services will be at Pioneer, Weddle Funeral Home, Stayton is in charge of local arrangements.

Rust spots on clothes, sinks and bathtubs, plague many homemakers, especially in suburban and rural areas. Here, the water supply is usually from wells.

Rust removers are sold in supermarkets. Some are of the liquid type, others in powder form. Directions on the container should be carefully followed.

For more information, ask your County Extension Agent for a free copy of our fact sheet, "Iron in Your Water Supply." This tells about water conditioners, iron-removal filters, and how to remove rust from laundry, dishwasher and plumbing fixtures.

## Sgt. Wm. A. Hueller

ORLANDO, Fla.—Technical Sergeant William A. Hueller, son of Mr. and Mrs. Harold A. Hueller of Leaburg, has arrived for duty at Orlando AFB, Fla.

Sgt. Hueller, a management and military training instructor, previously served at Ent AFB, Colo. He is assigned to the Military Airlift Command which operates a global airlift system for U. S. forces employing more than 1,000 modern aircraft.

The sergeant served during the Korean War.

The Deephaven (Minn.) high school graduate attended Vanport College, Portland; Sophia University, Tokyo, Japan, and Jackson College, Honolulu.

His wife, Carol, is the daughter of Mr. and Mrs. Lloyd Sletto of Mehama.

## Former Residents In Car Accident

Mill City friends will be glad to learn that Mr. and Mrs. Roewayne (Skip) Holt and small daughter, escaped serious injury in a Friday night car accident. They were enroute to California when their car went out of control on icy roads near Ashland.

The car was heavily damaged and they were taken to an Ashland motel by state police.

Saturday they went to the George Rambo home at Medford and the Rambos brought them to the home of Albany relatives Sunday.

The Holts are former Mill City residents and the two young men were classmates at Mill City High school.

Ironically, the Holts returned in October from a three-month's car tour of Europe, made without mishap.

They are now making their home in Astoria.

Take service calls on appliances, for example. More than a billion dollars are spent every year on unnecessary calls, according to surveys by manufacturers' service departments. You have to pay for the call even though the service man may find that the appliance just isn't plugged in. Sounds absurd? Of course, but it happens, servicemen tell us.

A frequent cause of trouble in washers is failure to remove small items from pockets before laundering. Nails, pennies, paper clips and the like, cause pump troubles and a service man is needed to correct the problem.

# LETTERS TO THE EDITOR

I camped at Rainbow lake in 1910, then I saw it again today 1966. You know if that little lake could really talk this is just about what it would say . . .

I used to be a beautiful lake. That was many years ago. Folks that came to camp, hunt and fish, they called me the Little Rainbow. Yes, I had a beautiful color and shaded shores, with towering Douglas-fir and Cedar all around. Beneath was a thick green blanket of moss. Every year closer to my shores it would creep. It really was a God's made bed. A place for my guests to rest and sleep.

Then came men with their saws and ax, and cut down every tree. All they thought of was the mighty dollar—they never thought of me. They burned my shores, left lay in hot burning sun, and think of flowers and shrubs they killed. They tore down and wrecked the beautiful things that took God a thousand year to build.

Now all of you other lake shores are protected by the forest ranger and all of his crew. If it wasn't for that, you would see power saws, hard hats, and cats, and they would sure make a wreck out of you.

Yours truly,  
Little Rainbow  
By the Old Man of the Mountains,

George E. (Red) Thomas. I have written this so the public will realize what has happened in the last 56 years, and what can and will happen in the next 56 years, if we do not all stick together and help protect our forests and lakes.
