**Class of 44 Eighth Graders Graduate Here June 1st**

Mill City Grade school graduation exercises will be held this Thursday night at 8 o'clock at the Grade school gym for 44 students.

This graduation class is a group which has proven itself in many school endeavors. Under fine leadership it has become a very politically oriented group. It's scholarship ranks very well when considered against the background of what is considered as standard for eighth grade classes. Athletically the class has more than held its own in meeting tough competition.

Perhaps the most important achievement of this class was the grasping of social and scientific thought through the use of educational media. Students have discovered that there are opposing thoughts in most of the matters which concern mankind in his constant struggle to better himself. Help in this discovery came from the fine instructional media center which includes the library and audio-visual devices.

Mrs. Don Williams will play the processional and recessional, the invocation and benediction will be given by Fr. Hugh Gearin. Address of welcome will be given by Rick Posekany and the class history will be given by Toby Fencil, Kim Gabriel, Herb Carpenter and Leo Poole.

The sixth, seventh and eighth grade chorus under the direction of Herb Bastuscheck, accompanied by Mrs. Don Williams will sing. There will be a cornet solo by Penny Lewellen, and the Girls' Sextette, LaDonna Bradley, Linda Hampton, Rita Whitney, Jacalyn Evans, Linda Edwards and Penny Lewellen will sing.

Principal Verne Peterman will present the class and give the address and the diplomas will be given out by Dave Barnhardt, chairman of the board of education.
