Poetry and Sense

*It isn't the car that begins to whine
 When forced to stop at a safety sign
 It's the driver*

*It isn't the car that will take a drink
 And quickly lose its power to think
 It's the driver*

*It isn't the car that fails to heed
 The danger or reckless, discourteous speed
 It's the driver*

*It isn't the car that steps on the gas
 And causes an accident trying to pass
 It's the driver*

*A car may be crushed and twisted awry
 But it isn't the car that may crash and die
 It's the driver*

*It's not the insurer that raises the rate
 When accidents soar and awards escalate
 It's the driver*
