Many Masons were given a better insight on the Masonic Eastern Star Home at Forest Grove by Mrs. Garton. She said that in 1883, the Home was just a dream. It came into reality in 1922, and at the present time it is licensed to handle 55 ambulatory and 47 nursing residents. At the present time there are 91 members at the home, the oldest being 102 years old. Average length of residence in the Home is five years, said Mrs. Garton.

Mrs. Garton said: "the Home is a lovely place to live. It has a nice lawn, it is clean and well equipped, and a beauty shop is maintained there. The guests do not even have to keep up their own rooms, and birthday parties, and other forms of entertainment are provided for them."

Members of the Star and Masonic bodies were invited to visit the Home. Mrs. Garton said it was the aim of the committee to have the Home completely endowed. Almost enough funds are on hand now to take care of half the expense of keeping the Home in operation.
