Remember last July?

Remember:

Hot and sticky.

You couldn't sleep

You really needed air conditioning.

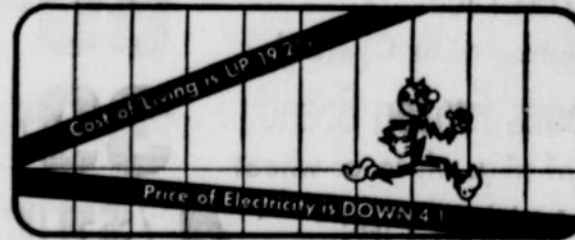

Now, get electric air conditioning and save \$5 to \$60.

Don't wait for this summer's miserable hot weather. See your dealer now while selection is best, and take advantage of this \$5 to \$60 allowance on electric air conditioning. Hurry, this offer to Pacific Power customers expires July 15.

Terms of Offer:

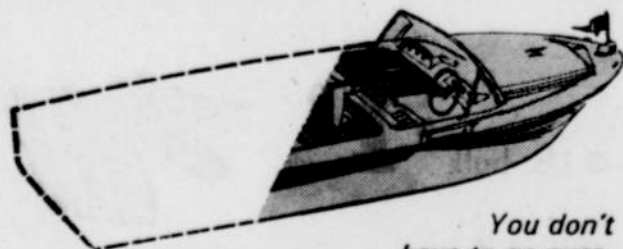

1. Applies to residences served from Pacific Power & Light Company lines, and is in addition to any other allowances in effect during this period.
2. Applies on the purchase of refrigerated electric air conditioning. Amount of allowance calculated on basis of \$1 per 1,000 btu of rated cooling capacity.
3. Applies to window units or whole house air conditioning purchased or committed for installation prior to July 15, 1968, which is the expiration date for this offer.

Figures based on average price per kilowatt hour for PPL residential customers and on Consumer Price Index, U. S. Bureau of Labor Statistics.
