

**Mr. and Mrs. Herman Mason** were in Coburg Sunday where they attended a family reunion with about 300 there, some coming from as far away as North Dakota. Mr. Mason, a former resident of Marcola which is near Coburg, said the school district there was having budget trouble with it being voted down four times. He said if it was voted down again board members said they would pay off the teachers and close the schools. Consensus of opinion seems to be that the big property owners are "putting on the opposition pressure."

**Miss Twyla Fultz** is in Nevada where she is attending a two weeks musical training school. If she does well there it will lead to a music scholarship.

**Mrs. Tom Kanoff** and family have been visiting with her parents, Mr. and Mrs. Adolph Brunner and with other relatives. They assisted with Brunner's Flower shop while her parents were vacationing.

**Cheri Challenger** has been on a trip by car into Canada. She is recovering from a recent illness and is on a leave of absence from the Mill City Ranger station office.

**Mrs. Dorothy Harris** of Trenton, Missouri is visiting with Mr. and Mrs. Charley French and assisting with their convalescence care. Mrs. French returned home from the hospital Friday but is still confined.

**Guests at the Marc Sims** home the past week were Mr. and Mrs. E. W. Morrison of Auburn, California, Mr. and Mrs. W. H. Bodam of Yucca Valley, Calif., and Mr. and Mrs. Lee Cook of Milwaukie. Mr. and Mrs. Sims returned home the middle of July from a trip to Kenai, Alaska.

**Miss Rozillah Yankus** and her fiancé, Jim Bryan drove up from Oakland, California for her bridal shower and a visit with her parents, Mr. and Mrs. Al Yankus and brother Alan. Additional Sunday guests at the Yankus home were Mr. and Mrs. R. L. Thomas and family of Salem, Mrs. Michael Kinney of Portland and Bob Daulton of Salem.

**NOTICE—Stop in at The Enterprise** office and browse through the Lions Auxiliary books. They cost only 10¢—paper backs and hard covers. Funds go to the Auxiliary sight conservation fund. 34p

Prescriptions Our Specialty

Mill City Pharmacy

MEL EIDE, Owner Ph. 897-2812 Mill City

**Mrs. Dorothy Tibben** and her granddaughter, Regina Tibben and Mr. and Mrs. Tom Tibben from Westminster, Calif., have moved to Mill City during the past week. Mrs. Jane Cross, daughter of Dorothy Tibbens has been living in the area for several months.

**Mill City friends** will be interested in learning that Dorothy Humphries, daughter of Mr. and Mrs. George Humphries, former area residents now living in Portland, is now home after serving in the WAVES. Miss Humphries says that the military career influenced her to continue her schooling and she is now studying drafting technology. She is considering Peace Corps or mission work.

**We now have some of those** handy, small size scratch pads at The Enterprise office. Useful for shopping lists, memos, messages for the kids, etc. Only 15c. 34

**Mr. and Mrs. Noyes Whitten** returned home recently from a three weeks tour of Europe, visiting many countries.

**Mr. and Mrs. Ace Underwood** returned recently from a vacation trip to the middle west where they visited with friends and relatives.

**In recent word from John Kelly** who is employed at the Many Glacier Hotel in Glacier Park in Montana again this Summer it was learned that he has a lead in the musical "Fiorello" which opened last week and runs every fourth night during the current season. He also put on one of his "Music Hall" performances on Saturday, July 27, and has another one scheduled for Saturday, August 24.

**Driving to Eugene Friday** evening to attend the musical play "The King and I," presented by the Lane County Auditorium Association in the South Eugene High School Auditorium, were Mr. and Mrs. Charles Kelly. Appearing in the play was Marylee Van Stokkum, daughter of Mr. and Mrs. Don Goode, who entertained at their home in Eugene later in the evening. Additional guests were Major and Mrs. David Goode who, with their year-old son Edmund, are in Eugene until late August when his next assignment with the Army takes the family to Virginia. They also plan to spend a few days here with his grandfather, Edmund Bertram. Also appearing in the play was five year old Valerie Drapela of Salem. Her parents are former Mill City residents.

**Mr. and Mrs. Wendell Heller** and Mr. and Mrs. Fred Duffy were in Hood River Sunday where they visited with Mode Davis and Mr. and Mrs. Sam Delany. Mr. Davis, a former longtime Mill City resident will be 92 this week and is in good condition for his age.

**Mr. and Mrs. Fred Blasdel** of LaGrande and Mr. and Mrs. E. S. Peterson spent from Monday until last Wednesday at Newport. While there they purchased some tuna which they had canned.

**Scott Hillesland** has been visiting with his parents Mr. and Mrs. Spencer Hillesland and family. He was on a convalescent leave from Madigan hospital at Ft. Lewis. He is recovering from wounds received in Vietnam.

**Teresa and Jeana Neary** of The Dalles are visiting at the home of Mr. and Mrs. Bob Chichester. They are young friends of the couple.

**Mr. and Mrs. Richard Parker** have returned from a vacation trip to Alaska, visiting with her parents, Mr. and Mrs. Ed Kadine and with their son-in-law and daughter, Mr. and Mrs. Ronald Cotrell, she is the former Linda Parker. The Kadines are in Fairbanks and the Cotrells in Palmer. Mr. and Mrs. Parker visited the many scenic areas in Alaska and they said it was an awe-inspiring state. They drove to Seattle and took the plane from there.

### The Old Timer

"Time is a great healer, but a poor beautician."

### Forest Service work On Skyline Trail

**DETROIT**—Two U. S. Forest Service crews have been busy the past two weeks doing preliminary work on the Skyline Trail. One crew is based at Eight Lakes Basin while the other crew is camped at Lake of the Woods near Skyline trail. The crews are engaged in cutting brush, removing rocks and other hazardous materials and rebuilding the tread of the trail.

The crew stationed at Eight Lakes Basin has been working the trail between Jenny and Duffy Lakes, will join the Lake of the Woods Camp for further work on the Skyline Trail.

Twelve miles of the Trail has been completed by the crews with 15 days work left on the project. The crews work ten days at a time with four days off.

### Lyons Library to Have New Location

**LYONS** — The Library Board met with the City Council at their regular meeting Wednesday night to complete plans for moving the library. In order to speed the moving the Library will be temporarily closed for check out of books. Regular hours will be maintained for return of books now out.

Tentative plans now call for the new library to be in operation by the start of the school year. To facilitate better understanding between the Library Board and the City Council one member of the City Council will now serve as a member of the Library Board.

George Bramblee has purchased the present Library site. Several complaints have been received about junk cars parked in yards. The council asks the cooperation of residents to please remove these unsightly cars as soon as possible. The council would also like owners of vacant lots to cut the grass as it is a serious fire hazard.

### MEHAMA

**Mrs. John Teeters** Mr. and Mrs. Richard Wagner and children, Clifford, Andrew, Carol, John, Jeffrey and Richard arrived Sunday, August 4 at the home of his parents, Mr. and Mrs. Giles Wagner. The Richard Wagners had just recently returned from three years in Germany where he was the United States vice-consul at Hamburg. This was the first time relatives and friends here had seen the youngest son Richard as he was born in Germany.

**Mr. and Mrs. Edward Castle** visited Sunday, August 4 at the home of Mr. and Mrs. Parris Bouche in Bend.

**Guests Friday evening, Aug. 9,** at the home of Mr. and Mrs. Keith Phillips were Mr. and Mrs. Fred Rienke of Jefferson.

**Mr. and Mrs. Tom Losuer** and sons Tommy and Calvin who have been living in the Shields house here moved recently into a trailer house near the Mari Linn school in Lyons.

**Craig and Bradley Matthis** of Salem spent the last weekend here at the Bruce Matthis home.

**Bonnie Christensen** went to Astoria Friday evening, Aug. 9 and visited during the week end with the D. C. Hughes family.

**Mrs. U. S. Berry**, of Strathmore, Calif. and Mrs. Emma Forrest of Stayton visited one day recently with Mrs. Raymond Branch, Mrs. Charles Crook and other former neighbors of Mrs. Berry's when she lived here some years ago.

Several volunteers started painting the Mehama Church during the week end. They made a good start but there is still quite a bit to do and more help is needed.

**Mr. and Mrs. Harry Monroe** were East of the mountains during the week end and hiked into the Berley Lakes where they planned on camping. A bad thunder storm came up and they decided to come back out.

**Mrs. Dennis Scherer** and son Eric of Silverton were guests Sunday and Monday at the home of her grandmother Mrs. Jennie Moe and also visited with other relatives here.

### Muscular Dystrophy Benefit to be Held At Salem Saturday

There will be a benefit for the Muscular Dystrophy chapter Saturday evening at Eastwood Plaza at 7:30. Money obtained from the sale of items will be used in the treatment and research program for this dreaded disease.

The Chapter pays for much of the therapy for those having the disease as well as conducting ways and means of preventing and curing muscular dystrophy.

**Mrs. Roy Welstad** of Mill City says that much has been done in recent years in both the treatment and research advancement in the program. Mr. and Mrs. Welstad have a 12 year old son Jeffrey who is confined to a wheel chair with the disease. This week he was fortunate enough to receive braces for his legs. This was made possible through assistance from the chapter.

Young Jeffrey is able to attend school here with the cooperation of teachers and others and the Welstads said they felt very fortunate to live in a community where he could attend school.

They have three other children, none of whom have the disease. Mr. Welstad is employed at Detroit Dam.

### Breitenbush Hot Springs Swim Pool Contract Let

**DETROIT**—Contract for renovating and redesigning of the Breitenbush Hot Springs, Inc., swimming pool was awarded to Beaver Pools of Beaverton, James Phillips, secretary-treasurer of the company, announced Monday.

Work is expected to be completed so that the facility will be open to the public by Saturday, Aug. 24, Phillips said. He also said that present plans call for construction on other phases of the Breitenbush Hot Springs improvement will continue this fall.

### Another Bike Stolen At Detroit Thursday

**DETROIT** — Another new bicycle was the target of theft here Thursday morning about 11:00 A. M. Circumstances were similar to the bike taken a couple of weeks ago owned by Tracy Ketchum.

The new bike, less than a week old, owned by Larry Rogers, had been parked in front of Cook's Grocery by his sister Martha. In less than five minutes the bike disappeared. A search of the grounds resulted in the finding of the bike with its rubber pedals cut and numerous scratches on the paint.

From its appearance it looked like someone tried to ride it and spilled over in the gravel.

### Work Smarter . . . Not Harder

By Bernice Straws Extension Home Management Specialist Oregon State

**MAKE YOUR OWN** Place mats and have something that's all your own. Mrs. Dorothy Brown, Oregon State University Extension home furnishings specialist, suggests sandwiching a layer of fabric or wallpaper between two sheets of clear self-adhesive vinyl film. The film comes in rolls and is sold in variety or department stores under various brand names.

You might use left-over printed drapery material or wallpaper for mats to match the decor of the dining room.

IF YOUNGSTERS put crayon marks on the walls, first scrape gently with the blunt edge of a knife, to remove as much as possible. Then try erasing.

Some crayons are made of materials which respond to an eraser or to washing. If the wallpaper or surface is washable, sponge with a soft cloth and lukewarm water.

If marks resist these methods, try absorbing the rest with a paste of cornstarch and a dry cleaning fluid. Let the paste dry, then brush off. It's a good idea to test these methods on an inconspicuous place before starting the main job.

**BACK-TO-SCHOOL** Clothes will keep your laundry equipment working full time. If you have a lint problem, this

may be due to one or more of the following reasons.

Overloading the washer cuts down on the free movement of the clothes. This means that natural lint doesn't get flushed away when the washer drains.

If the washer load includes both "lint-giving" and "lint-catching" fabrics, you'll have a problem. Try not to put them together. Or turn the lint-catchers wrong side out before washing with other items.

Another cause may be insufficient detergent. You need enough to keep the lint in suspension.

Check the lint trap of your dryer and be sure it's cleaned out at least once a week. A clean lint trap aids in air circulation and removal of lint from clothes.

**METALLIC TRIMS** ON Household Linens and ready-to-wear used today are more durable than those of the past, which tended to tarnish. Elaine Carlson, Oregon State University Extension clothing specialist, points out that the modern metallic yarns are more flexible and are color-fast to both sunlight and washing.

It's advisable to turn washable garments inside out during sudsing and rinsing in order to protect the outer surface from abrasion. If ironing is required, set the iron thermostat at a low temperature. To be safe, read the labels which come with these items. They are not all alike.

**YOUNG EYES NEED PROTECTION** when they do their home work this fall. Make certain children have a well lighted study area.

A desk lamp with the Better Light Sight tag of approval is your assurance of soft, shadowless light.

Lamp manufacturers are making specially designed, higher-wattage lamps that give nearly twice as much light as regular lamps, reduce glare and give a wide spread of light.

A swinging arm floor lamp also carries this tag of approval. Both the floor and table lamp use a 200 watt, A-23 bulb.

The lamp should be positioned at the left for a right handed person. The bottom of the shade should be 15 inches above the desk top so that light does not shine in the student's eyes. Fortunately, these lamps are in a medium to low price bracket.

**MARBLE TABLE TOPS** REQUIRE SPECIAL CARE the day after the night-before's party. You may discover stains and rings on the marble made by glasses. If stains are treated soon, they are easier to remove.

Sponge spots with a small amount of hydrogen peroxide and ammonia. Then rinse with clear water and wipe dry with a cloth.

For tea, coffee and stubborn stains, soak a white cloth in hydrogen peroxide and a few drops of ammonia. Put this on the stain and leave until discoloration is drawn out. Cover the cloth with plastic to keep it from drying out.

Don't wax white marble—it may turn yellow. A colorless, light paste wax is satisfactory for darker shades of marble.

### Keep It Beautiful

If America hired people for the job, it would take the largest sort of army to keep our country free of litter. But there's no need to hire anyone. It's a job we can do for ourselves. All of us. Every family that spreads a picnic lunch. Every boatman who cruises the lakes and waterways. Every motorist who uses our roads and highways.

It is the pleasure of the U. S. Brewers Association each year to give its fullest support to the Keep America Beautiful Campaign. Remember: Every Litter Bit Hurts. This is our land. Let's treat it right.
