Littered water is dangerous for swimming, fishing, and boating. Put your litter in a litterbag and help keep the Pacific Northwest clean and beautiful.

LETTERS TO THE EDITOR

Keep your Mill City Enterprise papers coming over the Mountains to me. I look forward to getting them each week.

Got a good laugh over your "EDITORIAL" on broiling steaks on a recent trip to the coast. We have too many of the same animals in Ramona. (They have no laws against "Free Range" in Ramona. We plan to locate soon in Tulsa.—will inform you as to change of address.

Wish I could live in Mill City again—I really miss my good friends there and beautiful scenery. I am in Tulsa today, my sis-

ter and I are House Hunting. Thanks for such an interesting and very informative paper.

Sincerely,
Jewell M. Boone
Ramona, Okla.

What has your water heater done for you lately?

Plenty:

Made your dishes sparkle.

Helped you with the laundry.

Washed behind their ears.

Let you relax a little.

But even the best water heaters wear out doing all those chores for you day-in, day-out. And that's the time to install a new high-speed electric water heater.

Enjoy all the hot water you need. No waiting. No problems. Want details? Ask the man at

Pacific Power

where they make the electricity that makes things nicer for everybody.
