ON THE SCENIC NORTH SANTIAM HIGHWAY — OREGON'S FAST GROWING VACATION WONDERLAND

VOLUME XXIII NUMBER 42 THE MILL CITY ENTERPRISE—MILL CITY, OREGON THURSDAY, OCTOBER 17, 1968 \$4.00 a YEAR — 10c a Copy

Up and Down The Avenue By Don Moffatt

The airwaves lately are pretty well taken up with the political candidates telling the public why they should vote for them or their party. It will soon be over, and I for one, will be thankful. As the polls stand now, Nixon, the Republican, is ahead. I hope he stays that way. Wallace has some good points, but I would hate to vote for a third party man. Humphrey I can't see, as in his frantic attempt to get supporters, he seems only to advocate more spending to promote more programs of giveaway, and believe me, anyone who pays taxes in any form, and who doesn't, should definitely turn hands down on this man and his proposals.

I read in the morning paper a story covering a political rally held at San Francisco's Cow Palace. There were the usual hecklers, trying to prevent any candidate the right of free speech. Jerry Rubin, head of the Youth International party who describes himself as a "revolutionary and an anarchist," shouted invectives at Wallace. If a person of his professed ilk can roam our streets and be protected by our laws, certainly our courts should be changed to do something about it. That type of man is a menace to our freedom, more than Russia is, therefore he should be banned from this country which protects him while he spouts nonsense.

A Berkeley professor had advocated a "freedom brigade to go fight the American imperialists in Vietnam. Wallace said, "I think they ought to go ahead and raise a freedom brigade and send them over there. That would be a good way to get rid of them." That's a pleasant thought. To think we have college educators of his ilk makes me sick. I do not think he is fit to clean stables or pig pens, let alone teach in college. He should be kicked out of college, the same as a lot of these long-haired kooks that litter up our campuses.

If we are to remain a free nation, and enjoy the freedoms we do, we're going to be forced to uphold our policemen, who are trying to do a good job protecting us from such nincompoops. We'd better wake up before it is too late. The following article headed "Twenty-Five Years Late?" was written by Vern Scofield, of the Nebraska Press Association. It was taken from the Cottonwood Chronicle over in Idaho, published by Lloyd Rose, a former Enterprise employee. Read it. It has some real meat in it.

Americans, both men and women, are more than disturbed—shocked, shall I say?—at the lawlessness, the thefts, the rapes, the killings in our Great Country. I think it all started—to the degree we now know it—about 25 years ago. That takes us back to World War II.

Why then? We adults—the old folks past 35—found out that if we were enlisted men we could "get by" with things. If we were junior officers we could "get by with the big boss. We are now parents, most of us. Too many of us tend to blame the young people—the 12-year-old who gets a \$15-a-month allowance for doing nothing, or defies his parents when they want his hair cut decently... the "hippies"... the 28-year-olds who feel they would rather be on "relief" than to accept a job that pays less than \$15,000 a year. Don't blame them. Blame the parents, and yes, the grandparents. We taught them these things. Most—and I hope I am not talking about the majority of Americans—have forgotten the word "no." It's easier to hand a youngster \$2.00 to go to a movie than to argue about it.

So then money has to be one of the things wrong. And money started getting "easy" during World War II. And now money is getting even easier to get—one way or another—for the average person. So, I blame money, too. Time was when you had to

Industry Man Speaks at Stayton Meet

Carl Frederick, representative of the Association of Oregon Industries was guest speaker at the Stayton Chamber of Commerce meeting Monday noon. He was invited to speak on "Financing Government." His talk centered on Measure 7, which is the 1½% true cash value of property Constitutional Amendment which is on the general election ballot. The Association of Oregon Industries is against the passage of this measure as it could "increase the taxes of property owners in future years." Frederick said big industry would be the beneficiary if this measure is passed, and the small homeowner, outside of Multnomah could very well be called upon to pick up the tab.

It would be up to the Legislature to find other means of raising the taxes to maintain our schools and other governments.

In citing figures of where our tax dollar goes, he said that the cost of education has risen 152% in the past 12 years while enrollment has gone up only 51%.

He was also under the impression that school budgets are being defeated because of the huge tax bite put upon taxpayers by the Federal government. People have come to the point where they are rebelling against nearly all taxes. He said it was necessary to have quality education, but business leaders are now looking for ways to get more out of the education dollar.

He said it would take a 4 or 5% sales tax to pick up money lost if the 1½% limitation, proposed by Measure No. 7 were to pass on November 3.

Attending the meeting from Mill City were Floyd Eastwood and Don Moffatt.

Two Mill City Scouts Win Leader Awards

Two Boy Scouts from Mill City's Troop No. 49 passed a Junior Leader's Training Program held this past weekend at the Boy Scout Cascade Area Council office in Salem.

Zachary Hampton and Floyd Peterman went through a busy and varied program which covered topics such as leadership, camping skills, teamwork, and patrol activities. Upon completion of the program, the boys both received graduation diplomas. Floyd demonstrated both the ability to sing a solo about birdies and the ability of helping his patrol win the Honor Patrol Award.

Both boys feel that they worked quite hard to pass the program, but enjoyed every minute of it.

Herbert Bastuscheck is Mill City Scout Master.

work—and work hard—for a buck. No more. There are even 4-day weeks for certain people. And I've even read that the 3-day work week is not far away.

So I say it all started 25 years ago, and "it" has grown in "popularity."

With "it" has grown lawlessness and disobedience of authority. Just how proud do you think you'd be if you were a policeman and could give very little information on a crime to a reporter—or any American—for fear of losing your job. Thanks to the recent Reardon Report, that's just what's happening.

The recent tragedy in Los Angeles, you might say, was the result of one "nut." But those "nuts" are all over the country.

I hope and pray that this "first 25 years" is not the start of a pattern for our Country that will end up as it did for another great and powerful country—the Roman Empire. I have fears and concerns we're heading that way.

Randy Marshall, Makes All-American Team

LINFIELD COLLEGE, McMinnville, Ore.—Five Linfield varsity football players have been selected by the American Football Coaches Association as nominees for Kodak's College Division All-American team.

Those given the honor include: Joe Robillard, senior safety from Hood River; Randy Marshall, junior defensive end from Mill City; Mike Kincaid, senior linebacker from Honolulu, Hawaii; Tim Brown, senior center from Medford, and Bob Haack, senior tackle from Dallas.

This marks the first college division Kodak team, as they have selected a large-college team since 1960. A selection committee composed of 24 AFCA members headed by Springfield's Ted Dunn will pick the squad.

Marshall has started defensively for Linfield for the past two seasons. After undergoing a knee operation during the summer, he appears to be in top condition for repeating as a NWC first team selection which he held a year ago.

Juanita Emerson Killed Friday When Car Goes Into River

Mrs. Juanita Emerald Emerson, 31, of Gates was killed Friday morning when her car hit a rock on rain soaked highway 22 west of Mill City about 7 o'clock. She had swerved to miss the rock but hit it and the car was flipped into the North Santiam River.

Officer Tom Drynan said the Emerson auto was traveling west when it struck the rock which had been dislodged by the heavy rains. Mrs. Emerson was enroute to her work at a Salem Insurance firm. She and her small son, Chris, made their home with her parents, Mr. and Mrs. Walter Thomas, Sr.

The Marion county medical examiner said death was caused by drowning. The car landed upside down in the river and only the wheels were above water.

Albany Man Hurt in Car-Log Truck Crash

MARION FORKS—A 38 year old Albany man, Donald C. Douglas was injured in a car-log truck crash on the North Santiam Highway a mile west of Marion Forks Saturday evening.

He was taken to Santiam Memorial Hospital, Stayton, by Detroit Mobile First Aid Unit following the 7:45 p. m. accident.

He sustained a hip dislocation and rib fractures, and possible internal injuries but was reported to be in fair condition Sunday night hospital attendants said.

Driver of the log-truck was Marshal D. Bradley, state police said.

Wolverines Down Scio Loggers 26-6

Led by the passing of Ron Johnson, the receiving of Larry Hillesland, and the running of Howard Lyness, Santiam's Wolverines marched to victory over the Scio Loggers in Capital Conference football action Friday night on Allen Field. The win gave the Wolverines a 2-2 conference record.

Things started off rapidly after Doug Cline's opening kick. Mike Long tackled Scio's receiver; the receiver fumbled; Santiam recovered and went on to score a touchdown on a three yard run by Howard Lyness on the first play of the game. Santiam's extra-point attempt failed.

Minutes later Quarterback Johnson passed to end Hillesland for a 53 yard touchdown play. Fullback Dave Ruby's kick for the extra-point was good.

In less than 10 minutes of the first quarter, the Wolverines scored for the third time. This time on a 30 yard touchdown pass from Johnson to Hillesland. Ruby's kick was again good. This left Santiam ahead 20-0 at the end of the first quarter.

In the second quarter the Loggers slipped by for a touchdown on a 5 yard run by Bob Truitt. Their attempt for the extra-point failed, leaving the score at half-time 20-6.

The third quarter proved better for the Wolverines than the second. Lyness scored again on a 2 yard plunge into the end zone. The kick for the extra-point failed.

The fourth quarter was a stalemate with neither team scoring.

Total yardage gained by Santiam was 356 yards. Santiam's offense was sparked by Larry Hillesland and Ron Johnson, with 129 and 113 yards respectively. Johnson also completed 6 of 9 passes in the game.

Defensive stand outs for the Wolverines were Mike Long with 11, and Ron Johnson and Lee Stafford each with ten tackles. Larry Hillesland, Mike Long, and Lynn Cutsforth each recovered a Scio fumble.

Tax Discussion Meeting To Be Held In Salem Wed. Eve.

There will be a meeting in Salem at McNary High school on Wednesday, October 16 at 8 p. m. in the Little Theatre room.

Roy Venstrom of the Governor's committee and Ken Meier, chairman of the Marion county committee will conduct the meeting.

Purpose of the meeting is to discuss the proposed 1½% limitation on property taxes. The stated purpose of the constitutional amendment is changing property tax limitation to 1½% market value.

In an effort to insure everyone having full knowledge of what the proposal would do, this meeting has been arranged by the Marion county board of commissioners.

Christian Church To Show Film At October 20 Service

There will be films and special singing at the October 20 worship service at the Mill City Christian Church from 11 to 12:30 Sunday. Old favorite songs will include "Beyond the Sunset," "Just a closer walk with Thee," and "Ivory Palaces." The film is a travesty and takes the viewer to Corinth where Paul actually stood and proclaimed the Christian Gospel during the First century.

There will also be scenes of Rome, the famous Coliseum and the Appian Way. An evangelist will show the pictures and there will be a discussion on the "New Testament Church."

Girl Of The Month

Cathy Whigham was chosen Girl of the Month for September, 1968 at Santiam High School. She is a Senior and the daughter of Mr. and Mrs. Don Whigham of Gates.

Cathy entered Santiam her Sophomore year from Lake Oswego, Ore. She has been very active in all school activities. Among them are Pep Club, Sec. of Art Club, F. T. A., Drill Team, J.V. Cheerleader and Varsity Cheerleader this year.

She plans to attend a Salem Beauty College after she graduates.

Boy Of The Month

David Chance, a senior at Santiam High School, was chosen Boy of the Month for September. David is the son of Mr. and Mrs. Stanley Chance of Mill City.

David has attended school for 12 years at Mill City. He was Junior Class President, Vice-president of TAC last and this year he is Senior Class president, Annual Editor and Sports Editor of the Santiam Hi-Lites. David has worked hard for two years on the Concession stand during the athletic games.

He plans to attend Lane Community College next fall. At this time he is not certain what he wants to major in.

Deadline Nears For Absentee Ballots

Don Penfold, Linn County Clerk, called attention to the citizens of Linn County, that Thursday, October 31, is the last day required by law for the County Clerk to receive applications for absentee ballots.

The only exceptions to this rule are: (a) if the voter is unable, by reason of physical disability, to attend the election and (b) the voter will, by reason of an emergency occurring within the five days before the election, be absent from the County on the day of election. In both instances where application is made within the five day period, a sworn affidavit stating one of the above reasons must accompany the application.

Because it is desired that every qualified person have the opportunity to exercise the right of franchise in our government, Penfold urges those contemplating making absentee ballot applications, to do so immediately.

Penfold added that 557 absentee ballots have been mailed virtually to every corner of the world with a high percentage going to servicemen in locations indicated only by an APO number.

Penfold suggested that persons who were going to avail themselves of a right to an absentee ballot do so at the earliest opportunity in order that the ballot may be marked and returned in ample time to be counted with the regularly cast ballots on election day.

The four rules for voting absentee ballot are if the elector is (1) going to be absent from the County on election day, (2) physically unable to go to the polls, (3) is a service voter, (4) resides more than fifteen miles from voting place.

Snow Hits Upper Mountain Areas

DETROIT—Old Man winter is getting progressively closer all the time. Over the week-end he moved, one might say, almost into the upper Canyon back yard. Snow was visible at a pretty close range.

Salem Chemeketans, an outdoor club, who made a hike Saturday to Firecamp Lakes in the Cascade Range 20 miles east of Detroit, reported three to four inches of snow near the lakes. A spokesman of the group said they traveled in heavy snowfall and high winds at times Saturday. Their goal was the 4,800 foot elevation at the end of Road S918A Southeast of Breitenbush Hot Springs.

Hunters returning home late Saturday afternoon and evening also encountered snow on Santiam Pass. Several reported hunting in snow in their respective areas in Eastern and Central Oregon.

Lonnie Bodeker To Reign As Homecoming Queen

Lonnie Bodeker will take up the royal scepter Friday and reign as the 1968 Homecoming Queen of Santiam High. She will be officially crowned by the 1967 queen, Sheryl Oliver, during half-time of the Homecoming game with the North Marion Huskies. The new queen, with her escort Stewart Hill, will radiate grace and charm during the Homecoming dance immediately following the game.

Lonnie, a Senior, is on the Varsity Rally Squad. She is also a member of Pep Club, G.A.A., and is Honor Society Vice President.

Junior class princess, Trish Moore, will be escorted by Larry Hillesland. Trish is a Varsity cheerleader, Vice President of the Junior class, and is a member of Pep Club.

Linda Hampton was chosen as Sophomore class princess and will be escorted by Howard Lyness. Linda is a member of G.A.A., Pep Club, F.H.A. and is Treasurer of the International Relations League.

The Freshman princess is Rosie Whitney. Butch Aerni will be her escort. Rosie is a member of G.A.A., Pep Club, and F.H.A.

A week of spirit and enthusiasm has preceded the Homecoming game. Each day the classes have competed to see which will be chosen at the end of the week as having had the most spirit.

Homes in Mill City May be Renumbered

At the October meeting of the city council there was discussion on the possibility of the Jaycees taking the uniform numbering of houses in the city as a service project.

Houses were numbered about 10 years ago with the Lions club members doing the work. Since that time many new homes have been built and thus renumbering on a more uniform basis is being considered.

At the time of the original numbering it was one of the steps that would have been necessary for house-to-house mail delivery; however, this service did not materialize.

Police Chief Don Gillenwater said there were 17 cases processed through municipal court in September with 16 traffic warnings given and 11 traffic citations issued.

There were 2 prisoners lodged in jail; 15 complaints answered, the police car patrolled 2,043 miles and used 202.4 gallons of gas.

Deadline Set for Filing Petitions for Gates Council Jobs

GATES—The deadline for filing petitions for councilmen and mayor for Gates is running near, so anyone interested in circulating a petition should do so immediately. Petitions may be obtained from city recorder Hazel Gabriel. The monthly council meeting is to be held Thursday, October 17 at 8 p. m. at the City Hall.

Board Studies Multiple Use Auditorium

The Board of Directors of Administrative School District 129J is currently studying the feasibility of building an auditorium facility as an addition to the Santiam High School plant. A number of auditorium installations have been inspected, with an eye to what they could do for the educational program at Santiam High School.

Funds for the construction of additional facilities are available, thanks to the fact that the patrons of Administrative School District 129J five years ago voted a serial levy for construction purposes. This serial levy has matured, providing the district with construction funds and eliminating the necessity for bonding.

The Board is in general agreement that unless an auditorium can be made to serve a multiple use, it would be difficult to justify in terms of the educational needs of the district. With this in mind a number of ideas are being explored which would include flexible classroom space, music facilities, and the provision of a foyer which could serve both as a Student Commons, and at a future date, should the need arise, accommodate class units.

The Board is currently concentrating its study on the flexibility feature, with an eye to increasing the student capacity of Santiam High School and relieving some of the load currently placed on the elementary plant by high school use. It is generally agreed that an auditorium, designed solely for auditorium purposes, would not meet the requirements of this school district now, or in the immediate future.

However, if the flexibility can be incorporated into the basic building, it places the auditorium addition within the realm of possibility", said administrator William E. Lewellen. The construction of multiple-use facilities is, of course, more expensive than that of a fixed purpose auditorium. However, the additional cost is more than offset by the use to which such a facility is put.

It is hoped by the district that a design can be achieved which will meet the needs of the Mill City area, as well as the school system, for a fixed-seat auditorium, and at the same time provide multiple class space to take care of current and future growth.

Nursing Students Have Capping Ceremony At Salem Tech

The first capping and pinning ceremony for technical nursing students at Salem Technical Community College was held October 7 at the College.

The rewards, a cap for each of the 19 students, and pins for the two men in the program, recognize that the students have completed the first year of a two-year course. Nursing faculty and administrative personnel participated in the program.

Next June the class members will graduate with an Associate Degree of nursing, and will be eligible for licensure as registered nurses in the state of Oregon. They range in age from 19 to 53.

Students who were honored included Mrs. Valerie McClellan, Lyons.
