Santiam Ripples

By Karen Oliver

Lonnie Bodeker was named queen of the 1968 Homecoming by football captain Lee Stafford during Thursday's pep assembly. Lonnie will be escorted by Stewart Hill. The princesses and their escorts are: Junior princess Trish Moore, escorted by Larry Hillesland, Sophomore princess Linda Hampton, escorted by Howard Lyness, and Freshmen princess Rosie Whitney escorted by Butch Arnie. Lonnie will be officially crowned during half-time of the North Marion game by Sheryl Oliver, 1967 queen.

Boy and Girl of the month were also named during Thursday's pep assembly. Girl of the month for September is Kathy Whigham, and boy of the month is David Chance.

A Student Council meeting was held on Tuesday, October 8. Under old business, a club charter for Art Club was accepted for renewal. There were many Activity Sheets passed during this meeting. Among these was a baked food sale sponsored by F.H.A. which was

held on October 11. F.H.A. also had a cookbook sale passed. The Seniors had two activity sheets passed, a Santiam T-shirt sale, and a car wash. The car wash will be held on the football field during the pep assembly next Friday. A car wash on April 5, and a "Hole in one" contest for October 23, both sponsored by the Junior class, were also passed. A sophomore bottle drive, and a Freshmen pen sale were passed. Dances which were passed included the Sweetheart's Ball, which is to be held on February 15, sponsored by the Sophomore class.

A "Sadie Hawkins" dance, on January 31, sponsored by Drama club and a dance for January 24, sponsored by the Juniors, were also passed.

The members of G.A.A. have been busy preparing for Homecoming, which will be held on October 18. A G.A.A. workday was held on Friday in order to begin the work on the decorations for the dance.

All the classes have decided on their representatives for ugly man day. They are Senior Val Challenger, Junior Dave Evans, Sophomore Rick Harlan, and Freshman Mitchel Alban. These boys will compete on Tuesday. The boy who receives the most votes will earn spirit points for his class. At the end of the week all of the points will be added and the class with the most points will receive \$20. The energetic Junior class spent a couple of hours Thursday night decorating the main hall of the school in order to build up spirit.

F.T.A. met during third period on Thursday to elect the officers for this year. Those elected were Jeanette Herron, President, Stewart Hill, Vice-president, Linda Crowther, secretary, and Karen Olson, treasurer.

The Freshmen class held their first dance on Friday, October 11. The dance was held downstairs as a sock-hop, because of the G.A.A. decorations upstairs in the balcony. Music for the dance was provided by the Sound Express.

JUANITA EMERSON

Mrs. Juanita Emerald Emerson, 31, of Gates was killed in an auto accident Friday when her car plunged into the Santiam river west of Mill City. Death was attributed to drowning.

She was a native of Underwood, Washington but had lived in the Gates area for 23 years. She attended Gates schools graduating from the High school there with the class of 1955. She was employed by a Salem insurance firm at the time of her death.

Mrs. Emerson was an active member of the Santiam Rebekah lodge and particularly interested in youth activities. She had been a member of the Theta Rho club, an affiliation of the lodge, before it was disbanded here.

Each year, during the first week of October, Goodwill Industries observes National Employment the Handicapped Week. Its purpose is to encourage employers to hire the handicapped. Support your non-profit Goodwill which trains the handicapped so they may learn a skill and hold a job.

there's GOLD in them thar hills

and we put lots of it there

GOLD...represented by Prosperity, Growth, Wealth...

abounds in the larger cities today. But it's a sort of non-portable, one-way type of gold—people living in the smaller communities like ours can't just go up into the stone and glass hills and canyons with our burros and bring loads of it home.

As a matter of cold, hard economic fact—this gold—this wealth—in our neighboring metropolises is not for us to enjoy...unless we're ready to move there and live with it. Yet, our Trade, our money...carried to them on our shopping pilgrimages...has importantly helped in their enrichment.

The same money...kept in the trade channels of our own community...will put more gold where we can enjoy it ourselves—the gold of Prosperity and Growth.
