Husband of Mehama Girl Is Stationed With Honored Group

ALAMOGORDO, N. M.—Doctor (Lt. Col.) James R. Prine, son of Mr. and Mrs. Lawrence M. Prine of Richland, Tex., is a member of a unit that has earned the U. S. Air Force Outstanding Unit Award.

Doctor Prine, a veterinary pathologist with the 6571st Aeromedical Research Laboratory at Holloman AFB, N.M., will wear the distinctive service ribbon to mark his affiliation with the unit.

Unit personnel were cited for their accomplished research projects which resulted in reducing risk and increasing man's prospect of survival in aerospace and related unusual environments. The laboratory is involved in a number of research programs for the U. S. space effort to see how man can survive in a space environment.

The doctor, a graduate of Corsicana (Tex.) High School, received his D.V.M. degree in 1951 from Texas A & M University.

His wife, Marjory, is the daughter of Mr. and Mrs. John M. Teeters of Mehama, Ore.

Mr. and Mrs. Harold Mason were in Salem over the holiday at the home of their son-in-law and daughter, Mr. and Mrs. Harold Parks and family.

Mr. and Mrs. Verne Clark had Thanksgiving dinner at the home of Mr. and Mrs. Vern Hepler of rural Canby. Mrs. Hepler is the mother of Clark's daughter-in-law, Mrs. Francis Clark.

Muscular Dystrophy

Tea Sponsored by Woman's Club

A silver tea was given Tuesday afternoon by the Woman's Club for the benefit of Muscular Dystrophy with approximately \$30.00 being raised. A feature of the afternoon was the appearance of Jeffrey Weststad, 12-year-old son of Mr. and Mrs. Roy Weststad, who is poster-boy for Linn and Benton Counties. Mrs. Weststad showed an impressive film dealing with a victim of the affliction.

In charge of the event was Mrs. Glen Cummings, president of the club, assisted by Mrs. Harry Mason, secretary. Mrs. Alex Burrell arranged the effective serving-table and many small holly-centered tables about the large room of the Fellowship Hall with the assistance of Elaine Russell, Agnes Carleson, and others. Heading the kitchen committee was Mrs. John Swan.

Presiding at the coffee and tea urns during the afternoon hours were Mrs. C. E. Rogers, Mrs. O. K. DeWitt, Mrs. J. C. Kimmel, Mrs. Marie Tolbert, and Mrs. Herbert A. Schroeder. Official "greeter" at the door was Mrs. Charles Kelly. Guests were presented with a sprig of holly as a corsage.

Mrs. Weststad answered questions after showing of the film, and distributed pamphlets dealing with Muscular Dystrophy. The family was appreciative of the help offered through sponsoring of the tea. Anyone not able to attend the tea, and who would still like to make a donation, could still do so through any member of the club.

It was explained that the expensive equipment used by victims of the disease costs the family nothing, due to funds being raised through various organizations.

Serra Dumps Wolverines

The Serra Sabers scored their first victory in the 1968 basketball season by dumping the Santiam Wolverines, 47-40, in Tuesday night's non-league action.

The Sabers were led by Frank LaJoy with 13 points and Lynn Henkel and Gary Graham, with nine and eight points respectively. Leading the losers effort were Joe Hince with 12 and Ron Johnson with nine points.

Two factors in the Serra win were the free throw percentages and the offensive rebounding. The Sabers percentage from the line was 82.0 as compared with the Wolverines 50.0. The Sabers also dominated their offensive rebounding in the entire second half, as they jumped out and held a lead from a 26-26 half-time score.

SERRA (47): Graham 8; Henkel 9; Crocker 2; LaJoy 13; Ritchie 2; Schneider 4; Doran 5; Mann 4.

SANTIAM (40): Berg 1; Pittam 6; Hillesland 5; Hince 12; Muise 2; Richards 4; Mowry 1; Johnson 9.

Serra 13 13 11 10—47
Santiam 11 15 7 7—40
JV Score: Serra 44, Santiam 33.

HOW TO CUT HEAT COSTS

5 tips that can help you get more warmth from your heating oil dollar

1. Keep your oil burner clean and properly adjusted. And use today's Shell Heating Oil. It contains a special additive called FOA-6X. This additive helps keep critical burner passages free from clogging—assures better firing.
2. Set your thermostat back when you go to bed at night—save significantly on your heating oil bills.
3. Be sure your burner has sufficient air. Oil needs lots of air to burn properly. Don't block off air supply to burner. Don't allow dust and lint to accumulate on air intake openings.
4. Don't block hot air vents or cold air return ducts with furniture.
5. Stop air leaks around poorly fitted windows by using weather-stripping or storm windows.
