

PHILIPPI MOTOR CO.

Roy and Bruce Philippi, Owners

Automobiles are a necessity. It seems, to the American way of life and because of the daily use which we put them through, they eventually wear out and soon become useless. The Philippi Motor Co., located at 1095 1st in Stayton realized this years ago, and in an effort to provide a service so necessary to our society, expanded and increased their Ford automobile facilities to the progressive, busy organization that it is today.

On the Philippi Motor Co. showroom floor, you will find the full line of Ford. Observe the exciting Thunderbird, the long, luxurious L.T.D. the medium priced Fairlane 500, and the smart, economy Maverick. There, too, you will find the increasingly popular Bronco. In any class, it offers four-wheel drive dependability, and advanced automotive knowledge assures its ease of handling on any surface.

The Philippi Motor Co. naturally services what they sell, and their staff of trained mechanics are ready to correct any problem that might arise during the operation of your car—new or used.

This Trade Center Review commends the Philippi Motor Co. at 1094 1st in Stayton, for their fine service, and Mill City area and Marion and Linn County residents know that they can rely on the Philippi Motor Co. for a dependable make of automobile and good service.

STAYTON TOWING & STORAGE

Ed Lewin, Owner

Old timers may remember the days when small boys used to see an automobile and yell: "Get a horse!"

Modern automobiles mechanically are a far cry from those early gas buggies, but even the finest cars sometimes are not able to move under their own power. Accidents, unfortunately, are the most frequent cause, but mechanical failure also can cause a car to stall.

Motorists of the Mill City area and Marion and Linn Counties should know that a tow truck is ready to come to their aid during 24 hours of every day, dispatched by radio from Stayton Towing and Storage at W. Ida in Stayton. The telephone number is 769-5757.

This long established, 18 years in Stayton, and dependable firm offers fast, safe automobile, truck and bus towing anywhere at any time, at moderate rates. Your car is fully insured while it is being towed by a truck from Stayton Towing and Storage.

This Trade Center Review suggests that right now you clip out this column, underline the name, address and telephone number of Stayton Towing & Storage in Stayton, Ph. 769-5757 and put the piece of paper in the glove compartment of your car. The chances are that you never will have to refer to it, but if you do, you'll be glad you had this foresight.

NORTH SANTIAM SAND & GRAVEL, INC.

This country's high standard of living has been made possible through the efficiency of American methods. Take, for example, the truck-mounted concrete mixer which whirls cement, sand and gravel into the proper mix while in transit and pours it at the construction site. If you'll pardon the pun, it's a "concrete" example of American efficiency, which, of course, results in lower building costs.

Serving the Canyon area and Marion and Linn Counties with ready-mixed concrete for any construction job, large or

small, is the business of North Santiam Sand & Gravel, Inc. A telephone call to 769-2614 or 769-2071 is all that is needed to bring ready-mixed concrete in the amount needed at the proper time for pouring. The mix will be just right, neither too wet nor too dry, mixed according to specifications for your construction needs.

North Santiam Sand & Gravel, Inc., specializes in black top paving; as well as handling sand and gravel for the do-it-yourself, and crushed rock for driveways and road building.
