# Presenting the year's most turned on gift ideas!

### Refrigerator-freezer

Enjoy strawberry shortcake in December, or peaches in February when you have a modern electric refrigerator or freezer. Automatic ice makers, adjustable shelves, storage doors, automatic defrosting and an array of decorator colors make this a gift everyone warms up to!

### Electric range and oven

Food cooked the electric way really tastes better. And modern self-cleaning ovens and easy-to-clean surface units help make electric cooking fun instead of work. That's truly a gift!

### Electric washer-dryer

Today's permanent press fabrics are more wrinkle free if you have an electric washer and dryer. So, if you're tired of ironing "no-iron clothes," try asking Santa for new electric laundry equipment. It could be the answer!

### Color Television

From big games to big news, every facet of today's fast-paced world comes to you first hand on color TV. Table model, portable, console or complete entertainment center, this is a gift your family will enjoy for years.

### Small appliances

Almost any job around your house can be made easier with modern electric appliances. From blending frosting, to making waffles, to drilling a hole or carving a roast, there's an electric helper to do the job. Just turn it on!
