This God—his way is perfect.—(II Sam. 22:30).

Life is lived moment by moment. The secret of getting the most out of this particular moment lies in our viewpoint. In doing first things first, and important tasks that should be done, we feel a sense of progress and purpose. This moment blesses us as we look for the blessing in it, as we relate it to the whole of our day, realizing it is important, for it is the moment we are living.
