DETROIT IDANHA

By Boots Champion
Mr. and Mrs. Jack Hopson of Idanha are receiving congratulations on the birth of a daughter Tuesday, April 7 at a Salem hospital. A Friday to Monday visitor at the home of Mr. and Mrs. Jerry Lynn was Mrs. Lynn's mother, Mrs. Arlene Richelle of Bellingham, Wn. Overnight guests Thursday at the home of Mr. and Mrs. Ray Marsh were Mr. and Mrs. Robert Sandmel of Santa Rosa, Calif. A Marion County Health and T.B. Clinic for Seniors and staff of the Detroit school is slated for Thursday, April 16. Detroit schools student council will sponsor a movie, "One Million Years B. C." in the grade school gym Saturday, April 18th at 8:00 p. m. The Woman's Mission Society of the Idanha Community Church is in need of good materials for making quilts. They ask that anyone wishing to contribute materials for this purpose may do so by contacting either Mrs. Harold (Jean) Roth at Idanha or Mrs. Arthur (Barbara) Whiteley at Detroit. Chick Mason of Sweet Home has been released from Good Samaritan hospital at Corvallis pending further tests. The Detroit High School Honor Society visited Willamette on Wednesday in an all day session. Siletz scored two runs in the 10th inning to nip Detroit 7-5 in a Marion-B baseball game here Monday. Dorsey Smith and Bud Cris smacked homers for Detroit. Detroit will play a double-header at Madras Friday, April 17th at 4:00 p. m. A pretty "hot" chimney fire of one of the old Purvine cabins in the Pamela Creek area routed firemen out of their beds about 3:30 a.m. Monday morning. The call was answered by firemen of the Idanha Rural Fire District from both Idanha and Detroit. Mrs. Ida Dougherty of Gazelle, Calif., has been visiting at the Frank Hancock's for the past two weeks to help with the wedding of Barbara Hancock. Following the Hancock-Knudsen wedding at Beaverton April 4th, Mr. and Mrs. Moke Naluai of Honolulu, Hawaii accompanied Mrs. Frank Hancock to Calif. to return Mrs. Hancock's grandmother to her home. They returned home by the coast route. The Naluai's plan to visit here for a week before returning to their home in Honolulu.

Balloon Lands Near Idanha

A balloon came drifting mysteriously out of the sky and landed on Green Veneers Cold Deck landing located above Idanha about 4:00 p.m. Wednesday of last week. It was quickly spotted by some of Benton Trucking Co. employees who promptly made an investigation. They discovered the balloon had a note attached to it which "read, second graders, Silver Lea School, Eugene, Oregon." According to the children's teacher, Miss Jill Belford, the balloon was released Wednesday (that same day) apparently sometime in the morning, probably school time, so its anybody's guess how long it took to travel here if one considers down drafts, air pockets and other wind currents the balloon may have encountered coming over the mountains. Miss Belford said "purpose of releasing the balloon was to see how far it would go." A spokesman for the "finders" said the balloon was about 15 inches in diameter and that no doubt helium made it possible for the balloon to make its long journey. The fella's said they were going to mail the note back to the school. Maybe, they will mail the balloon too, since it has made some sort of history which we are sure will go down in the annuals for the 2nd graders of Silver Lea School.

IDANHA—Cynthia Lewis, 3, Bend, received jaw and collar bone fractures when the car she was riding in crashed into an embankment beside Highway 22 six miles east of here about 10:30 a.m. Friday. She was in good condition, Salem Memorial Hospital officials said late Friday. Two other occupants of the auto, Linda Swan, 30, and Arlene Carroll, 25, both Bend, received outpatient treatment for minor injuries. Miss Swan was the driver, state police said. The victims were taken to the hospital by Detroit Mobile First Aid Unit. Ambulance attendants said Miss Swan was a case-worker for the Deschutes Welfare and that they were enroute to Oregon City where the little girl was to be placed in a foster home.

Santiam Drops Two Baseball Games

Santiam's baseball team is not doing too well this spring. Tuesday the team went to North Marion and lost the game 7-3. North Marion got 4 runs in the first inning, but Greg Eide, Santiam's pitcher held them scoreless for the next two innings. In the fourth inning the Huskies scored their last three runs for the game as Eide again held them for two more innings. Santiam got on the score board when Darrell Plotts brought in Tony Grant with a base hit. The next two runs were both scored by Leo Poole in the third and fifth innings. Picking up the RBIs for these runs were Gordon Plotts and Greg Eide. Santiam lost to Jefferson here Monday night 13-2. Allen Severs, pitching for Santiam held the Lions scoreless in the first inning, but Jefferson started moving, scoring one run in the second. Jefferson's pitcher, Tim Hampton scored two runs while his teammates scored the other 11. Santiam got their only runs in the second inning with Severs and Steve Lewellen coming home. Tony Grant and Allen Raines picked up the RBIs.

People Arrested For Thievery of Summer Home

DETROIT—Two more arrests were made last Tuesday by state police in connection with property stolen from a summer home in the Brettenbush area. William Keven Flynn, 21, Idanha, and Edward Orville Hastings, 29, Mill City were arraigned Wednesday in Marion County District Court on charges of receiving and concealing stolen property. The same charge against Flynn's sister, Janice, 20, of Creswell, who was arraigned last Tuesday was dismissed Wednesday following further investigation by the district attorney's office. Ronald Eldon Blazer, 24, San Mateo, Calif., arrested with Miss Flynn, still is accused of receiving and concealing. The three men are charged with having property reported missing from the cabin of Don Coons, Salem. Deputies said Cogar was passing another vehicle and apparently lost control of the car because of a gust of wind. The car rolled over two or three times, witnesses said.

Fishing Should Be Good at Detroit Lake Saturday

DETROIT—According to Ray Stose, outdoor editor for the Oregon Statesman, Detroit Reservoir will be a good choice for the opening of fishing season Saturday. The water is in good condition he says. The public boat ramps are usable, but Sladen's Resort boat ramp at the end of Erin St. was lacking 10 feet of water last Saturday, but it may be available by the weekend if the water continues to rise. Detroit Lake Resort's lift is operating for cargo, and Mongold boat ramp is available. Hopes are high that Detroit Reservoir will be producing some large trout this season. Near the end of the 1969 season some dandy catches of o.g. rainbows were recorded and there is no reason to believe the fish won't be there this season. The water in the lake is quite clean even now so it may be necessary to tie on lighter leader. Bank anglers will have their best luck fishing up in the Santiam or Brettenbush arms of Detroit Lake this early in the season and there is little problem of access to the water in those areas.
