Phillips Receives First Place Award

LYONS — Mr. and Mrs. Wayne Phillips received word from their son, Gene Phillips, of Seattle, who is first line supervisor in the sub-assembly wire shop of Boeing Air Craft, that he had received first place in cost improvement categories.
His idea eliminated 340 wire rework records which had to be processed weekly to keep the form board up to date. It will bring an estimated \$1.5 million cost saving to the company during 1970. Phillips was well rewarded; he, with Mrs. Phillips, was complimented with a banquet. Mrs. Phillips is the daughter of Mr. and Mrs. William Prichard.

Librarian Reports New Books at Library

LYONS—Seventy new books have been added to the Lyons Library since the first of the year according to Mrs. Florence Darling, librarian, at their meeting Monday evening.
For girls from 5th to 8th grade: Dana Girl's Mysteries and Nancy Drew Mysteries. For boys, Tom Swift's junior Science and Fiction. There are 14 new books for the Kindergarten through the third grade. Also hobby and crafts to be made with throw-away, also Indian crafts. For adults, patio furniture, motor books 1970 and auto repairs.

LOSE 10 LBS. IN 10 DAYS ON GRAPEFRUIT DIET

HOLLYWOOD, CALIF. (Special)—This is the revolutionary grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. and Canada.
Word of its success has spread like wildfire. Because this is the diet that really works. We have testimonials in our files reporting on the success of this diet. If you follow it exactly, you should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop 5 pounds on the 5th day. Thereafter you will lose one pound a day until the 10th day. Then you will lose 1½ pounds every two days until you get down to your proper weight. Best of all there will be no hunger pangs. Now revised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly "forbidden", such as big steaks trimmed with fat, roast or fried chicken, rich gravies, mayonnaise, lobster swimming in butter, bacon fats, sausages and scrambled eggs. You can eat until you are full until you cannot possibly eat any more. And still lose 10 pounds in the first ten days plus 1½ pounds every two days thereafter until your weight is down to normal. The secret behind this new "quick weight loss" diet is simple. Fat does not form fat. And the grapefruit juice in this new diet acts as a catalyst (the "trigger"), to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and bloat are gone you will cease to lose weight and your weight will remain constant. A copy of this new and startlingly successful diet plan can be obtained by sending \$2 to GRAPEFRUIT DIET PUBLISHERS, 1213 Premier Way, Calgary 6, Alberta. Money-back guarantee. If after trying the diet plan you have not lost 7 pounds in the first seven days, and 1½ pounds every two days thereafter simply return the diet plan and your \$2 will be refunded promptly and without argument. Tear out this message as a reminder. Decide now to regain the trim, attractive figure of your youth, while enjoying hearty breakfasts, lunches and dinners.
