

DETROIT IDANHA

By Boots Champion
Driving to St. Paul Saturday, Mr. and Mrs. Harold Champion spent the weekend at the home of Mrs. Champions brother-in-law and sister, Mr. and Mrs. Roy Pulse. While in the area their hosts accompanied them to Tigard Saturday where they visited Mrs. Pulses son and family, the Bill Frys at their new home. Later in the afternoon they motored to Beaverton where they viewed Tektronix, Inc. Mrs. Pulse is employed in the utility paint department there. Two Tektronix booths have been set up in Los Angeles for the annual Wescon show at the Hollywood Park and Sports Arena. On display at the show through Au-

gust 28 will be general instruments. Instruments shown at Wescon for the first time will include the world's first wide-band oscilloscope with storage, and the first new-generation oscilloscope to be put into a rack mountable package. Also shown for the first time will be three plug-in units for the 7000 instrument series. The Tektronix firm is spread out over some 300 acres and includes two other enterprises in the Beaverton area. Guided tours of the company can be arranged by appointment. A Salem woman, Helen Pope was taken by Detroit Mobile First Aid unit to Salem about 5 p. m. Saturday with a possible broken foot and rib fractures. Miss Pope reportedly sustained the injuries when she slipped and fell off some stones while hopping from rock to rock in the Brel-

tenbush river. She is employed as a chief receptionist at Salem Memorial hospital, and is the daughter of Cpl. Pope, a long-time employee of the State Police.

A typographical error was made in last week's issue when it stated Mrs. Bernice Lee of Pasadena, Mrs. Edith Shields and Mrs. Mabel Parker of Silvertown are sisters of Mrs. John Estey of Detroit. This is incorrect. Mrs. Lee, Mrs. Shields and Mrs. Parker are sisters and they all attended Detroit school with Mrs. Estey in the old town of Detroit.

An overnight guest Sunday at the home of Mr. and Mrs. Harold Champion was Mrs. Frances Pulse of St. Paul.

The Idanha home of Mr. and Mrs. Henry Hiebert was the setting Sunday afternoon for the annual Sunday school picnic of the Idanha Community church. A salmon bake set the stage for the event. Swimming in the Hiebert pool was enjoyed by the younger set, while the oldest visited. Some 35 people were in attendance.

Mrs. Mabel Poncia, Mrs. Oskie Nyberg and Mrs. Christine Wall and daughter went to Philomath Tuesday to visit her grandchildren and parents.

At the general election this November, Detroit and Idanha will elect three councilmen for their cities it was announced here this week. The terms of Detroit councilmen Harold Champion, Frank Hancock, and Wayne (Salty) Wright of Detroit and Norman Thomason, Glen Stormer and Lynn Williamson of Idanha will expire the last of December. Positions on the Idanha council are for two 5-year-terms and one 1-year-term. Officers on the Detroit council are for two 4-year-terms and one 2-year-term. Anyone wishing to run for the offices is required to file a petition with the city recorder of each city 30 days prior to the election. Carolyn Gardner is recorder for Detroit and Reba Snyder for Idanha. Petitions must be filed before October 3.

Residents in the CCC Camp area have reported that bears have been seen on several occasions in the area this summer. A resident of the area also reported that prowlers have also been noted. Again, residents are being cautioned to lock their homes when leaving.

that Junior Williamson had recently undergone surgery at Shelton, Wn., and is recuperating at home. The Williamson family formerly resided at Idanha.

A general staff meeting of all Detroit school employees is scheduled for Sept. 2 at 8:30 a. m. in the Home Ec room of the elementary school. At 5:30 p. m. on the same afternoon the Detroit Board of Education will host a get acquainted potluck picnic supper. The event will be held in the backyard at the Idanha home of Supt. and Mrs. Ronald Wilkerson.

Accompanied by his parents, Mr. and Mrs. Walt Rutherford, Mark Rutherford of Salem observed his 16th birthday here at the home of his friends, Robin and Jody Whiteley. After a day of boating, water skiing and picnicking, a barbecue supper was served at the Whiteley home. Marking the event a decorated birthday cake designed with a lake, boat and trees, was served with ice cream and coffee.

Red Skelton's Pledge of Allegiance As Told by His Schoolteacher

Red Recites It at the Monument Grounds In Washington on July Fourth

CROWD NUMBERED 400,000

I remember this teacher. To me, he was the greatest teacher, a real sage of my time. He had such wisdom. We were all reciting the Pledge of Allegiance and he walked over. Mr. Lasswell was his name. He said, "I've been listening to the boys and girls recite the Pledge of Allegiance all semester, and it seems as tho it is becoming monotonous to you. If I may, may I recite it and try to explain to you the meaning of each word."

I — me, an individual, a committee of one.

PLEDGE — dedicate all of my worldly goods to give without self pity.

ALLEGIANCE — my love and devotion.

TO THE FLAG — our standard, Old Glory, a symbol of freedom. Wherever she waves, there is respect because your loyalty has given her a dignity that shouts freedom is everybody's job.

OF THE UNITED — that means that we have all come together.

STATES — individual communities that have united into 48 great states; 48 individual communities with pride with imaginary boundaries, yet united for a common purpose, and that's love for country.

AND TO THE REPUBLIC — Republic, a state in which sovereign power is invested in representatives chosen by

the people to govern; and government is the people and it is from the people to the leaders, not the leaders to the people.

FOR WHICH IT STANDS — ONE NATION — the Nation, meaning so blessed by God.

INDIVISIBLE — Incapable of being divided.

WITH LIBERTY — which is freedom and the right and power to live one's own life without threats, or fear or some sort of retaliation.

AND JUSTICE — the principle or quality of dealing fairly with others.

FOR ALL — which means, boys and girls, it's as much your country as it is mine.

"And now, boys and girls, let me hear you recite together the Pledge of Allegiance."

I PLEDGE ALLEGIANCE TO THE FLAG OF THE UNITED STATES OF AMERICA AND TO THE REPUBLIC FOR WHICH IT STANDS, ONE NATION, INDIVISIBLE, WITH LIBERTY AND JUSTICE FOR ALL.

Since I was a small boy, two states have been added to our country and two words have been added to the Pledge of Allegiance: "Under God." Wouldn't it be a pity if someone were now to say "That's prayer" and that would be eliminated from schools, too.

BOWL FOR HEALTH and FUN

Long, Dry Summer Tough on Wildlife

By Jean Roberts
MEHAMA — The danger of fire during a hot dry summer is the cause for many comments, but few think of the struggle for survival wild animals face (and some domestic ones too) because of the long dry summer.

A coyote was seen recently in broad daylight in the middle of a field digging for a gopher. Coyotes usually prefer rabbits and squirrels, but as the grass and vegetation dries, these are

Detroit-Idanha Fire Dept. Called to Put Out Grass Fire

DETROIT — Detroit-Idanha Fire department was called about 2:30 p. m. Thursday to extinguish a fire in the duff on the forest floor in green timber across the road from Detroit High school.

Since there are no buildings in that particular area it is believed that it was caused either by a cigarette, or children playing with matches.

U. S. Forest Service fire equipment was also dispatched to the scene. After the stubborn blaze was put out school custodian, Harold Champion, checked the area periodically until 11 o'clock Thursday night. When he checked the area at 6 a. m. Friday morning he discovered a sleeper had become active and had burned another small spot over to a nearby trail and then fortunately went out.

Kriegers Return From Canadian Vacation

IDANHA — Mr. and Mrs. Rubin Krieger of Idanha returned home Sunday night following a three week vacation.

Leaving here they motored to the coast where they visited Mr. and Mrs. Glen Lyda at Wycoma, and then on to Roseburg where they visited with Mr. Krieger's brother, Dan.

Their travels then took them to Smithers, British Columbia where they visited the Glen Beachy family for a week.

Mrs. Krieger said they rented a travel trailer for two and a half weeks of their vacation thus giving them most all of the comforts of home.

She said while Mr. Krieger was fishing at Telkwa, B. C. he met a cousin of Mrs. Harold Roth who resides in Idanha. The cousin was from the state of Washington, but apparently recognized Mr. Krieger from a visit he and his wife had made to the Idanha Community Church. He gave Mr. Krieger a nice steelhead he had caught which later made a delightful feast for the Kriegers and their hosts the Beachy's.

Mrs. Krieger said an added attraction of their tour in B.C. was the seeing of three moose and a deer, all, of course, one week before hunting season opened.

She added that a guide is a must for hunting unless you have been a resident in the area for a year.

Hendrickson Takes Washington Job

Lloyd K. Hendrickson has accepted a position as Methow Valley Engineering Zone Technician on the Okanogan National Forest, effective date September 6. The Hendricksons and their 2-year-old son, Lance will be stationed at Twisp, Wn.

Lloyd began his Forestry career in 1961 as a Surveying Technician on the Umpqua National Forest, and moved to the Detroit Ranger District as District Engineer in 1966 from the McKenzie Bridge Ranger District, Willamette National Forest.

Mrs. Hendrickson has resigned her position as a teacher in the Detroit High school where she has taught since moving to the area.
