Light Guard bathes your property in warm, glare-free light. And light is the last thing prowlers need. Ask any policeman!

What's more, Light Guard gives you more productive time for your farm or business, especially during dark winter months. And Light Guard helps you avoid accidents, too, by putting light where you need it.

Light Guard can mean the difference between night and day on your property

Light Guard turns on at dusk, turns off at dawn. Automatically. And it comes in three sizes—7,000 lumens, 21,000 lumens, and 55,000 lumens. So there's a Light Guard for every need.

Cost? As little as \$4 a month. A small price for the protection and convenience anyone can get from Light Guard! Better call the man from Pacific Power today.
