Bazaar items, baked goods, good clean used clothing and other items will be sold with the proceeds going to Marilyn Club, who in turn will purchase much needed items for the Chapter. All members are asked to donate articles which can be sold. Items may be brought to Marilyn Club September 22 or taken directly to the Burrell home.

Presbyterian Women Hold First Fall Meet

The first Fall meeting of the Presbyterian Women's Association was held at Fellowship hall Thursday afternoon with Mrs. Arlo Tuers as hostess for the dessert before the session. Ten ladies of the church attended, along with the pastor, the Rev. Wayne Blake.

Mrs. C. E. Rogers, the president, conducted the business meeting, opening with prayer. Mrs. J. C. Kimmel acted as secretary, pro tem, in reading the minutes, after which Mary Tuers gave the treasurer's report. Although attending for the first time, Mrs. William Lyness volunteered to furnish flowers for the sanctuary during the remainder of the month.

The association had considered disbanding, but decided that this was a good time to try to build up the membership instead. Hostess for the October meeting, which falls on the second Thursday of each month, will be Mrs. John Swan.

It was suggested that the group try to get out-of-town speakers for a social meeting, probably a luncheon, to increase interest and also invited Presbyterian officers at some future date.

It was announced that the Willamette Presbyterian Society will conduct a retreat and workshop at Santiam Lodge Tuesday, September 29, and Wednesday, September 30. The women will pay part of the expenses for Mrs. Elsie Volkel and Mrs. Bill Lyness to attend the session for one day.

Devotions were given by Dora Rogers, who read from "The Bible's Legacy for Womanhood," by Edith Deen. Short reports on several Women of the Bible were given by Mary Kelly, Dora Rogers, Ruth Cummings, and Lettie Swan. Mrs. Rogers closed the meeting by reading from the "Ideal for Women."

The hostess, Mrs. Tuers centered the serving table with a bouquet of asters and Michaelmas daisies from her garden.

LETTERS TO THE EDITOR

TO THE EDITOR:

During the early part of August, Governor Tom McCall addressed a letter to employers of Oregon National Guardsmen in which he requested understanding and cooperation during our period of accelerated training recently completed. Specifically, he asked for excused periods of absence from jobs in order that Guardsmen could participate in re-scheduled training periods during the National American Legion Convention. These assemblies were needed to provide military support to City, County and State civil authorities in Portland and nearby areas.

PRICES are always relative...whether they're actually high or low depends on what we get for our money.

Local business and service establishments offer the same goods for similar prices...or less...that we can get in some distant city or town...plus...at no extra charge...more convenience, quicker service in times of emergency, more personal interest in our needs and problems, important help in the financial support and upbuilding of this area in which we live...and upon which we depend for a living.

These extras, and many more are ours...no extra charge...when we patronize our friends and neighbors in business here at home.
