F.H.A. held a meeting after school Tuesday, December 8th. They worked on the decorations for their kiddie Christmas party, December 14th. At the party the children will play games, decorate a Christmas tree, watch a film, color pictures, receive gifts and refreshments, and break a Santa Claus pinata. Santa Claus himself will be stopping by for a visit.

Thursday, December 10th, a national school assembly was held for grades 4-12 in the high school gym. Mr. and Mrs. Tom Hale entertained the students with a film from their Antarctic expedition.

Intra-School council discussed their coming annual trip to Albany and Corvallis high school at their meeting Friday, 4th period. On their visit to the schools they will talk to students and faculty, find out how the school is run, and sit in on the student council meetings.

Honor Society, Pep club, F.H.A., and the Sophomore class held meetings Friday, December 11th, during activity period. Honor Society discussed the induction of new members, Honor Society pins, and evaluated their advertising of their December 4th Toy dance.

Pep club held a brief meeting to decide on their tops for the Pep club. F.H.A. decorated for their Christmas party. The Sophomores called a meeting to appoint committees to plan the Holiday Happening December 24th.

A brief pep assembly was held in the gym. David Pittam spoke a few words about the team and urged everyone to support them.

President Mike Elliott, Sue Crowther, Sandy Oliver, and Dan Cox with Mrs. Sheythe drove to McMinnville Thursday, December 10, to attend Region IV A.S.B. Convention.

Presenting the year's most turned on gift ideas!

Refrigerator-freezer

Enjoy strawberry shortcake in December, or peaches in February when you have a modern electric refrigerator or freezer. Automatic ice makers, adjustable shelves, storage doors, automatic defrosting and an array of decorator colors make this a gift everyone warms up to!

Electric range and oven

Food cooked the electric way really tastes better. And modern self-cleaning ovens and easy-to-clean surface units help make electric cooking fun instead of work. That's truly a gift!

Electric washer-dryer

Today's permanent press fabrics are more wrinkle free if you have an electric washer and dryer. So, if you're tired of ironing "no-iron clothes," try asking Santa for new electric laundry equipment. It could be the answer!

Color Television

From big games to big news, every facet of today's fast-paced world comes to you first hand on color TV. Table model, portable, console or complete entertainment center, this is a gift your family will enjoy for years.

Small appliances

Almost any job around your house can be made easier with modern electric appliances. From blending frosting, to making waffles, to drilling a hole or carving a roast, there's an electric helper to do the job. Just turn it on!
