WINTER WOES by Pinson

**A mighty smart driver was Huntington Swick,
He drove to his office on roads that were slick—
With icy winds blowing,
And drifts quickly growing,
He put on his tire chains—but quick!**

PREVENT THOSE WINTER DRIVING WOES

The Safe Winter Driving League recommends that you stay home when the weather gets this bad. But if you do have to drive under severe snow and ice conditions, be sure your car is equipped with reinforced tire chains. They provide four to seven times the pulling ability of regular tires on snow and ice, according to test findings by the National Safety Council.
