

"Spiritual Motivation" is the theme of the 11:00 a. m. worship service this Sunday at Santiam Chapel Assembly of God in Lyons. Evangelist and Mrs. Ardon Lockyer, widely-known singing evangelists and gospel recording artists, will be the featured guests and will present the gospel in special songs with recorded background music. The songs will

be both traditional and contemporary. "The Lockyers' musical ministry appeals to young and old alike," said Pastor Jenson, "and everyone will remember the blessings of this service for a long time to come." At Hard Time Square Dance

ictured above are DeLa Pierce and Hank Thomas members of the Cascade Foothill Squares at Sublimity, dressed for the hard times dance. You'd never know Hank as he has but little hair, of his own that is. They won first prize at the dance—Enterprise Photo.

Wow, This is Fun

Above are Mabel and Orville Downing who were dressed in "style" of the "Dirty 30s" at the Sublimity dance. Behind them is caller Bob Anderson from Silverton. The Enterprise photographer goofed as it cut off the lower part of their costumes. Mrs. Downing had on a dress of 1930 vintage and Orville had on cut off overalls and colorful socks held up by old-fashioned garters.

Cascade Foothill Squares Have Hard Times Dance

Members of the Cascade Foothill Squares dance club held their hard time dance Saturday night in Forrester Hall at Sublimity. Most of the dancers came in hard time clothing, which, as President Delbert Elliott said reminded him of the "dirty 30s" back in South Dakota.

For lunch midway in the dance the committee served stew, in tin cans no less, to the members and visitors.

This club has been organized for many years and still is going strong. They meet every other Saturday night.

LETTERS TO THE EDITOR

TO THE COMMUNITY—

On April 5th the vote on the school budget will have a separate ballot for Kindergarten. It's something I feel we do need in our school system. The way things are now, not all the 5 and 6-year-olds in our community are able to attend kindergarten because of one reason or another. With Kindergarten as a part of the school all children will have the same opportunity.

Kindergarten does have a definite place in the school system. Mainly it provides an educational atmosphere where 5 and 6 year olds develop basic skills and social behavior. When they enter first grade they are ready for school and are more receptive as most first grade teachers will tell you.

We are a community and as such I feel we do have a certain amount of responsibility to each other and if we can help all the Kindergarten age children get off to a better start in school then it's up to us to do it.

I'm hoping most of you will agree that we do need a free Kindergarten so every youngster can have the same opportunity and on April 5th vote yes on the Kindergarten ballot.

Sincerely,
Carol Brosig,
Chairman, Mill City-Gates Kindergarten Mothers.
