Stacey Crosier, 8-year-old daughter of Mr. and Mrs. Brooks Crosier of Concordia, Ca., is spending the summer with her grandparents, Mr. and Mrs. Martin Hansen.

Nancy Loveall of Chandler, Ariz., visited Tuesday of last week with her parents, Mr. and Mrs. George Loveall.

Mrs. Clyde Richards was brought home Sunday from Salem Memorial hospital where she underwent surgery last Tuesday. She is reported to be recovering satisfactorily and may have visitors.

Callers at the Charles Kelly home on a recent Sunday morning were Mr. and Mrs. Sherill Bland and their 3 children, Brenda, Brian, and one-year-old Brent, of Reno, Nev. where Mr. Bland is an Air-traffic Controller at the Reno Airport. He and Mr. Kelly became acquainted through correspondence dealing with their interest in old, historical pictures so the family routed their vacation trip through Mill City so he could make copies of some. He was especially interested in those relating to the Hammond Lumber Company, which had large holdings and a sawmill here years ago, as they also have an installation at Samoa, Cal., the hometown of both Mr. and Mrs. Bland.

Mr. and Mrs. Athel Savage, daughter Becky, nephew Rick Lady and Mrs. Vee Golden spent the weekend at the coast.

Ernest Freeman, son of Mr. and Mrs. Richard Freeman, will bring the message for the Sunday morning worship service at the Mill City First Christian church.

* A U. of Connecticut research team is set to start the first large-scale field trial in infants of a new vaccine against meningitis. The vaccine has already been successfully tested in a large group of U. S. Army recruits and in a small group of children. Among infectious diseases, meningitis is now the leading U. S. killer of children.

* Demand to bring cyclamates back to marketplace are gaining ground. The South Dakota Medical Association has petitioned the government to restore the sweetener as a prescription drug.

* A new freeze-dried pregnancy test, which can detect pregnancy as early as four days after the first missed period, has been introduced by Wampole Labs.

* Now that the vacation season is upon us, if you are taking medication, be sure you carry a sufficient supply and be sure, too, that it is protected against damage from differing climate conditions such as temperature and humidity.

Work Continues At New City Park

This past Saturday and Sunday was the final trip for the Seabees to grade and level and to build a trail and a spot for picnic tables. This also brings us closer to the completion of the new City Park for all to enjoy. In addition to the Seabee equipment, Wills Shingle Mill donated the use of their front-end loader.

Saturday's lunch was supplied by the Jaycettes and the Lions Club Auxiliary. Sunday's lunch was furnished by Stewart's Grocery, Girod's Hilltop Grocery, Mill City Drug Store, Hirte's Lockers, Mill City Hardware, Rose's Hardware, Mill City Enterprise and Mrs. Margaret Snow.

The Park Committee, the City Council and the people of Mill City are appreciative and grateful for the efforts of the Seabees in bringing the park to closer completion.

In preparation for the arrival of the Seabees, Boy Scouts Mark Peterman, Allen Megargel, Jim Olsen and Clinton Luke, carried rock and helped shore the drainage ditch at the west end of the park. These boys will return to complete the project at a later date.

The Explorer Scouts, Jim Crowther, Doug Gruver, Steve Hale, Floyd Peterman and Bob Tippett cleared the brush in preparation for the footpath along the river.

On the 8th of June Kurt Kline, C. Bruder and George Gunter helped plant the bushes and shrubs the Mill City School donated. Volunteer Firemen Teddy Ficker and Don Hutchinson assisted by watering the newly planted shrubs.

Everyone is invited to come and view the progress which has been made thus far.

According to relatives Mrs. Sig Jepsen, former long time resident here but now a resident of Stayton, is making a satisfactory recovery at the Salem Convalescent Center, 875 Oak S. E., in Salem after undergoing surgery on her hip a number of weeks ago. At present she is being helped to go up and down steps, and has been using a walker. Thursday, June 22, she will observe her birthday anniversary.

Canby Lions Visit Here Monday Night

Several members from the Canby Lions club made a visitation to the local club Monday night. They brought with them a replica of a Model T, powered by a 3 h. p. engine. Several members enjoyed riding it around the Frontier parking lot before dinner. They were selling tickets on the vehicle. They came here to pick up their gavel which somehow wound up with the Mill City club.

This was an extra meeting, called by out-going president George Long, so the Canby members could get their gavel. Dick Blakely announced that work on the float would begin July 1st, and there will be a work party at the park kitchen on the night of July 3, to get things in readiness for the July 4th celebration.

Valley Telephone Company

A Member of Continental Telephone System

From Alaska to Florida, Americans have over one hundred and twenty-five million telephones. At any second, over three million of those telephones are being used. It is a remarkable network that requires around the clock service. And it also means careful planning ahead. We'd like to remind you that if you're planning a new home or business, call us when you call your architect. By planning ahead, we can pre-wire your new home or business so that all wires are completely hidden. And with pre-wiring to every room, you can move your telephones from one room to another, whenever you like. Complete pre-wiring of new homes and business firms is another service we offer. We're working hard to improve your telephone service because we believe we're a part of you.
