Dear Friends in Mill City:  
Greetings to all of you at Christmas time.

We hear you've been having some of our weather. At the time that we heard that your temperatures were near zero, we were having a warming trend with 30 degrees above.

The last few days are cold again and there is new snow. We really enjoy being dorm parents at Victory High School. Enclosed is a picture of our 12 dorm daughters plus our own Pat and Lisa. Although some of them look pretty sober in the picture, they really sparkle and are lots of fun.

Victory High School is a ministry of Arctic Missions and is located at mile 95 on the Glenn Highway.

We've appreciated clippings and news from the Enterprise. We've been saddened by tragedies that have struck our home town /but we're thrilled by word of the football team and other good news.

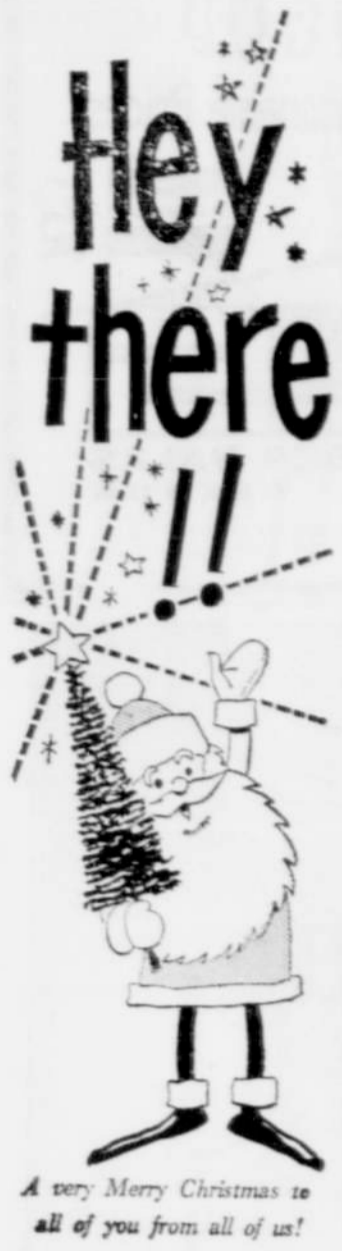

We're very thankful for our many blessings: one being that Lonny and Mike get together about once a month at Subic Bay, Philippines, where Mike is stationed. Lonny serves aboard the USS Niagara Falls. It is a fast supply ship and goes to Subic for supplies.

God is very good to us, and our prayer is: that the presence of His Son will be with you all during this Holy Season and in the New Year.

Your friends,  
Laddy and Glenda Elliott,  
Patty and Lisa

Editor's note: The Elliotts were former longtime residents of Mill City, leaving early last summer to serve the ministry in Alaska.
