GATES

Betty Kelle
We have sure had a real switch in weather this week haven't we? From below freezing to the 50's is something else. Kind of nice though and I don't even mind the rain. Sure doesn't take long for the ground to really soak up either as the old sump pump in the basement is really working. Thank goodness it's there or my furnace would need pontoons.

Those spending the afternoon Saturday at the home of Mrs. Lang Stafford after memorial services for Tami Myers were Mr. and Mrs. Ernest Mustonen and Marilyn of Seattle, Mr. and Mrs. Gilbert Myers of Silverton and Mr. and Mrs. Louis Myers of Elkton.

Saturday Walt and Toni Thomas and Chris visited the LeRoy Hawkins in Salem. LeRoy is Chris' godfather.

The City Planning Commission meeting that was scheduled for last Tuesday was cancelled because of the bad weather.

This month's Bunco Party was held at Sharon Harrison's with Wyoma Baechler, Leonora Cutsforth, Janet Lewis, Glenda Roten, Judy Holman, Alice Morrison and Velma Harrison present. Velma won high Bunco, Judy won most games, Wyoma the door prize and Sharon the booby prize.

Margaret Rush visited her sister, Bertha Jorgensen who has been ill in Jefferson on Monday.

I would like to take the time now to wish everyone a very Merry Christmas and a Happy New Year. Hope you all are much better organized than I am and have your tree all up and decorated. (I don't even have one yet) have your Christmas shopping all done (I don't) and have those gifts all wrapped and under the tree, (naturally, I haven't). Being as how this is the time of year to start making New Year's resolutions, I suppose you are thinking of all those you can make and that will be broken soon after January 1. Think mine should be to get better organized, which sounds great but knowing me it probably won't happen.

Thursday, December 21, at 7:30 is the regular meeting of the Gates City Council. Haven't heard from anyone whether the Christmas program will make any difference on this or not.

The Wednesday night tote painting class held its Christmas potluck fondue party at my house Monday evening. Those present were Kay Bell, Barbara Henderson, Kathy Meader, Sandy Whisenhunt, Millie Seals and Jeri South.

LETTERS TO THE EDITOR

Dear Sir:

As a result of the past week's snow conditions, the people of the Mid-Willamette valley have had recourse to a very important and useful community service.

The radio stations of our area have done yeoman service for the people of the area. They have accepted the responsibility for broadcasting the various cancellations of schools, meetings, sporting events and special events of the various communities.

As one individual who has had to use their free service, I wish to take this opportunity to thank them publicly for this very valuable service.

Sincerely,
Ray Welch,
Education Chemeketa
Coordinator, Adult
Community College.

CORRECTION

The Shriners' Hospital for Burns at Cincinnati, Ohio has 200 personnel for the 30-bed hospital and not 300-bed ward as was incorrectly stated in last week's paper. This many people working enables each patient to have individual care 24 hours a day. Of the 200 this not only includes doctors, nurses, technicians but cooks, maintenance men, etc.

it's Christmas!

We wish you a full share of the joys of the season.
