Wednesday afternoon the cast of "Finder's Creeper's" put on a dress rehearsal for the grade school. The rehearsal was a smash and really brought laughter into the auditorium.

Thursday, after school, the pep club held a meeting to discuss what they could do with their money in the way of fun. It was decided that the girls would take a trip to the YMCA for a swimming party and then go to Cascade Gateway Park for a picnic, Wednesday, May 9 when the school will be closed due to a teacher's meeting.

Thursday night, the public presentation of "Finder's Creeper's" was given by the 1973 Drama Class. The director, Morris Snider, and the assistant director, Cindi Nelson, worked very hard to make it possible for the play to be presented on that date for everyone's enjoyment. This wasn't easy with just one month of practices. Everyone did a great job and we hope that there will be an abundance of plays from now on.

Saturday, the G.A.A. took a trip to Kah-Nee-Tah. The temperature was between 70 and 80 degrees and it was just a great day for horseback riding and swimming. Everyone had a wonderful time and really enjoyed the warm weather! Way to go G.A.A., and we're glad you had fun!
