EASTER - THE RESURRECTION
Luke 23:50, 55-56 & Luke 24:1-9

From The Living Bible

Then a man named Joseph, a member of the Jewish Supreme Court, from the city of Arimathea in Judea, went to Pilate and asked for the body of Jesus. As the body was taken away, the women from Galilee followed and saw it carried into the tomb. Then they went home and prepared spices and ointments to embalm him; but by the time they were finished it was the Sabbath, so they rested all that day as required by the Jewish law. But very early on Sunday morning they took the ointments to the tomb — and found that the huge stone covering the entrance had been rolled aside. So they went in — but the Lord Jesus' body was gone. They stood there puzzled, trying to think what could have happened to it. Suddenly two men appeared before them, clothed in shining robes so bright their eyes were dazzled. The women were terrified and bowed low before them. Then the men asked, "Why are you looking in a tomb for someone who is alive? He isn't here! He has come back to life again! Don't you remember what he told you back in Galilee — that the Messiah must be betrayed into the power of evil men and be crucified and that he would rise again the third day?" Then they remembered, and rushed back to Jerusalem to tell his eleven disciples — and everyone else — what had happened.
