## Santiam Loses Conference Title To Regis Rams

The Santiam boy's track team relinquished their Tri-River Conference to Regis, on May 3. Santiam, which won the conference track honors for the past two years, could only take second as the Regis Rams won by 14 points. Santiam was in the running for the crown until the last two races, the 2-mile and mile relay, when Regis picked up 24 points to Santiam's nine.

But it was still a good day for the Santiam tracksters as they established 15 seasons best and 11 lifetime bests.

Jerry Grant was in top shape as he tossed the javelin 212' 4". This throw breaks the school record of 210', which he set this season, and more importantly shattered the conference record by more than ten feet. He also held the former conference record.

Gary DeMain won the high jump for the second year running. His jump of 6' 2" was also equaled by the second and third place finishers, but Gary had fewer misses to win the event. David More, also jumped 6' 2", established a new lifetime best for himself in the event.

David Plotts was one of the few double winners of the day, as he won the 880 and tied for first in the long jump. His winning leap in the long jump was 19 1/2' and his winning 880 was in the time of 2:08. Dave also placed sixth in the 440 and was on the third place mile relay team. He collected 2 1/2 points for the day to take high point honors for Santiam.

Santiam had two strong performances in the mile with Floyd Peterman and Kenny Morgan. Floyd placed second in 4:48, with Ken finishing third at 4:50. In the two mile, Ken picked up a fifth while Floyd came in sixth.

There was no Santiam finishers in the low hurdles, but Dave More and Rick Lady placed fourth and sixth in the big hurdles. Their respective times of 16.8 and 16.9 were lifetime bests for both of them. Dave More also went on to place fourth in the pole vault to give him 14 points and three places for the day.

In the sprints, 100, 220 and 440, Santiam picked up only six places. In the 100, Craig Blackburn was fourth in 10.5.

Mike Andermatt was fifth at 10.6. Both times were seasons best for the two. Mike Morgan picked up Santiam's only place in the 220, as he placed second in 24.0. This was a seasons best for the sophomore sprinter. In the 440, Santiam had fourth, fifth and sixth, with Bob Tippit, Glen Humes, and Dave Plotts, respectively.

Santiam had a surprise finish in the shot, as Mike Andermatt placed second with a put of 47' 1". Mike has been putting the shot in the low forties this year, and this put was a lifetime best for him. Roger Davidson picked up the third place in the shot, with a 46' 5" put. Roger also had a lifetime best in the discus with a fourth place heave of 132'.

Both relay teams, the 440 yd. and mile, took third place in average times.

Next for Santiam will be the district meet on May 10 and 11. The district meet is the qualifier for the state meet held on May 17 and 18. The district meet will begin at 11:00 on Friday with preliminaries. Finals will be held on Saturday.

Mrs. Sylvia Duncan entertained at her home on Friday, May 3, with a luncheon for Miss Erma Graham of San Francisco, Calif., Mrs. Else Allen, and Mrs. Golda Martens.
