Tangy New Pear And Cheese Salad

Bartlett pears are at their flavorsome best with cheese and a touch of lemon. "Bartlett Bitter Lemon Salad" combines these flavormates in an unusual and tempting way. Bitter lemon sparkling beverage is used in the gelatin, along with French dressing, giving a particularly refreshing flavor. Slices of California Bartlett pears and Cheddar cheese cubes are folded in along with watercress. The bitter sweet flavor makes this a particularly delicious salad to serve with ham or fried chicken.

- BARTLETT BITTER LEMON SALAD**
- 2 envelopes plain gelatin
 - 1/2 cup cold water
 - 2 bottles (10 oz. each) bitter lemon or grapefruit beverage
 - 2 tablespoons French dressing
 - 1/4 teaspoon salt
 - 2 fresh California Bartlett pears
 - 1/2 cup chopped watercress
 - 1/2 cup sharp Cheddar cheese cubes
 - Watercress
- Soften gelatin in cold water, place over heat and stir until gelatin is dissolved. Stir into bitter lemon. Add French dressing and salt. Chill until mixture mounds on spoon. Pare, halve, core and slice pears. Stir into gelatin with watercress and cheese. Pour into 5-cup mold; chill until firm. Unmold; garnish with watercress. Serve with mayonnaise if you wish.
Makes 4 to 6 servings.

For additional recipes and serving suggestions for this and other summer fruits, send a stamped, self-addressed business-size envelope to "The Fruits of Summer," P. O. Box 4640, Sacramento, CA. 95825. You'll receive a 48-page cookbook with luscious color illustrations of more than 100 ways to serve California fruits.

THE FAMILY LAWYER
NAME IN VAIN
"I urge you to veto the welfare bill."
So said a telegram sent to the governor, supposedly from a concerned citizen by the name of Watson. But in fact, Watson had nothing to do with the telegram. It had been sent by a local manufacturing firm, which had simply picked his name out of the telephone book.
Watson later found out about the telegram, and filed a damage suit against the company "for taking my name in vain." And a court ruled that he did indeed have good grounds for complaint. The court said:
"The company) appropriated, without the plaintiff's consent, his name, his personality, and whatever influence he may have possessed. This they had no right to do."
This case illustrates the growing recognition of the right of privacy as a legal doctrine. Often called "the right to be let alone," it has already been applied in a wide variety of situations.
Another example arose when an obstetrician, summoned to a woman's home to deliver her baby, brought a young man into the bedroom with him.
The woman assumed that the stranger was some sort of medical aide. Only afterward did she learn that he was merely a personal friend of the doctor. She sued for an intrusion on her privacy, and the court upheld her claim.
Of course, the right of privacy is not unlimited. It must be reconciled with other rights with which it ay conflict. Thus:
A man who was mugged on a downtown street objected to the publicity that appeared in the local press. He argued in a court hearing that, as a private individual who had done no wrong, he was entitled to the shelter of the privacy doctrine.
But the court pointed out that whether he liked it or not, he was "newsworthy"—a legitimate object of public interest. The right of privacy, said the court, did not outweigh the freedom of the press guaranteed by the Constitution.
