Returns from Trip

Mrs. Evelyn Pfoertner recently returned from a 23-day trip to Spain and Morocco, also spending some time with friends in the Los Angeles area.

There were about 100 persons in the European tour which took off from Hartford, Conn., but was forced to return to the Kennedy Airport in New York twice, due to airplane engines catching on fire. The third try was successful, however, and the party landed safely in Lisbon, Portugal. The trip to Morocco was made from Gibraltar by ferry-boat, and the entire excursion was termed fascinating but sometimes exhausting. Some of the tourists deserved the label "ugly American" upon occasion.
