

Detroit Schools To Open Tues., Sept. 2

The first day of school will be Tues., Sept. 2, for all students in grades one through 12, from 8:30 a.m. to 2:50 p.m. Grades one through six are to report to grade level rooms for registration information sessions. Grades seven through twelve are to report to the high school library for general orientation and registration. Following the completion of registration, students will run through a shortened version of their schedule for the remainder of the school day.

Kindergarten — a special parental orientation meeting will be held on Sept. 4, at 2:30 p.m. in the Detroit Grade School library. Parents of children in the Kindergarten class should attend this special orientation and registration meeting. Kindergarten enrollment and class time will be discussed.

School buses will follow the listed routes.

Marion Forks Bus 14—7:50 a.m., Fish Hatchery, 7:55 a.m., Marion Forks; 8:05 a.m., Savage's Cabins; 8:10 a.m., Green Veneer; 8:15 a.m., Idanha Post Office.

Idanha and Ranger Station Bus #12—7:55 a.m., South Idanha (Church Street); 8:00 a.m., South Idanha Loop; 8:03 a.m., Idanha Welding; 8:05 a.m., Ranger Station.

Students are reminded to be a few minutes early at their regular stops.

Bus return times will be 2:10 for grades kindergarten through third and 2:50 p.m. for grades fourth through 12th.

Lunch prices will be: grades kindergarten through sixth — 45c, 40c weekly or monthly ticket, week \$2.00, month \$8.00. Grades seven through twelve — 50c single, 45c weekly or monthly tickets, week \$2.50, month \$9.00. Milk will be 10c per carton. The school district also offers free lunch and free milk for families who qualify.

Information is available at the school districts main office.

Student fees will be \$12.50 for grades nine through twelve and \$2.50 for grades seven and eight.

Parents having questions pertaining to the beginning of school, please call 854-3363.

Fisherman's Bend Scene Of Family Reunion

DETROIT — Fisherman's Bend was the setting Aug. 17 for a potluck reunion of the Lady clan.

Some 45 members attended the event, including seven of the nine children of the late Orvel and Alma Lady, former residents of Idanha.

The oldest family member in attendance was Bill Houck of Idanha, and the youngest, Matthew Gifford of Independence. The most grandchildren in attendance were those of Mr. and Mrs. Phil Vollman of Willamina. Mr. and Mrs. Bill Houck, Idanha, have the most grandchildren, seven, but they are scattered around from Jeff at the Great Lakes Naval Training Station to Tim at home.

Newest member of the family is Star Lynn, born Aug. 9 at a Prineville hospital. She is the daughter of Mart and Cheryl Steenson.

Mrs. Octavia Harris, Idabel, Okla., traveled the farthest to attend the reunion. She is the mother of Eddie Gifford.

A good time was had by all at the first Lady family get-together, despite the inclement (rainy) weather.

The reunion arrangements were made by Mrs. Chester Storey, formerly Thelma Lady. Many pictures were taken, with Bev Vollman taking special family slides.

The Lady family roots in Oregon go back to 1853 when William Gifford Lady, grandfather, and his family came from Missouri in a covered wagon and settled near Sheridan.

Mrs. Theo Houck, formerly Theo Lady, is the keeper of the books and papers on the family tree.

An "Over The Hill Gang" for family members turning 40 years of age has been formed by the clan. Newcomers of the gang are Chester Storey and Marion Cannon.

Plans are underway to hold the reunion again next year, Mrs. Storey said.

The following family members were in attendance: Bill and Theo Houck, Idanha; Phil and Fay Vollman, Willamina; Gary and Jean Vollman, Rick and Dawn, Willamina; Greg and Bev Vollman, Newberg; Robert and Phyllis Kircher, Kraig and Kye, Tigard; George and Marion Cannon, Willamina; Mike Cannon, Lincoln City; Rick and Connie Ohmer, Wayne and Scotty, Sheirdan; Chester and Thelma Storey,

DETROIT IDANHA

Boots Champion

Detroit school personnel, the board of education and their spouses, will hold their annual get-acquainted picnic Thursday at Fisherman's Bend.

Visiting here at the homes of Irene Stout, Audrey Layman and the Champion home for a few days last week were Mr. and Mrs. Curtis (Cope) Howard from Eureka, Calif. The Curtises were former residents in the old town of Detroit.

Three From Philippi Team Receive Honors

DETROIT — Philippi Ford of Salem defeated host Dandy's of Bend 8-2 in the championship game of the state slow pitch softball tournament Sunday.

The victory by Philippi climaxed the tourney involving 48 non-ASA teams that began two weeks ago. After two weekends of qualifying play, the final 12 teams competed last weekend at Bend.

Dorsey Smith, Steve Ray and Jim Olmstead from Philippi's team were among all tourney players honored (All Star).

Dorsey is the son of Mr. and Mrs. Quincy Smith of Idanha. The Detroit team included Dorsey Smith, Stan Gable, Tom Leming, Vince Drago and Donald Leming, coach. They were each awarded first place trophies and a team slow pitch trophy. Attending the game from here were Mr. and Mrs. Jeff Leming and Mr. and Mrs. Quincy Smith of Idanha.

Ruth Tohl Wins In Womens Golf Action

"Fewest Putts" was the days play Tuesday for the 18 hole group of the Santiam Womens Golf Club.

Class A winner was Ruth Tohl with a score of 28; class B, Shirley Laird, 28; and class C, Jan Drery, 34.

Ruth Tohl had first low net with a 72 and Jan Drery a 74 for second low net.

Detroit; Terry and Laura Lyon, Mill City; Eddie and Donna Gifford and Matt, Monmouth; Mrs. Octavia Harris, Idabel, Okla.; Fred and Evelyn Martin, Richard and Shirley; Mildred Cantrell and Duayne, both of Prineville; Robert and Sherrie Lady, Jeff, Julie and a friend, Eugene; Fred and Carolyn Choates, Pat and Cliff, Prineville; and Rick Lady, Mill City.

Recreation Report Has Reservoir Down

Roads

All district roads are open except for the following: Elk-horn-Elk Lake Road S80.1 is gated and closed to public beyond Beachie Saddle. Opal Rim Road S81E is closed because of some washouts that occurred last winter. The road is very hazardous and will not be passable this year at all. The last 1.5 miles of Presley Lake Rd. 110C is closed and gated. Breitenbush Rd. 224 (S46) was undergoing reconstruction from Cleator Bend Bridge to the Mt. Hood Boundary. Approximately three miles have been paved past Cleator Bend Bridge. This will be all the reconstruction work they will do on this road for the year. The rest of Breitenbush Rd. 224 to the Mt. Hood N. E. Boundary will be the same as it always has been: rough, gravel, and dirt. Log traffic will be found on the following roads: Breitenbush Rd. 224, Blowout Rd. 103, Twin Meadows Rd. 1167, Straight Cr. Rd. 103H, and Parrish Lake Rd. 124.

Trails
All district trails are open and passable. Pacific Crest Trail 2000 has snow drifts occurring on the trail. However, it is passable and snow is packed. Blowdown may be seen on portions of all trails. The trail crew, in addition to the trails listed on last report, has completed work on the PCNST 2000 from the Santiam Pass to Porcupine Ridge. The crew will be working on Trail 2000 from the Junction of Hunts Cove to Porcupine Ridge. They will also work on Trail 2000 from Breitenbush Lake going south.

Lakes
Detroit Reservoir has dropped its waters approximately 50 feet, but the resorts are still operating.

Campgrounds
Whispering Falls Campground has been closed for the year because the equipment for the water system has failed. The campground will reopen next summer. Breitenbush has no water this summer, so the fee system is not in affect.

Special Items
Huckleberries are ripe on the district. It was reported that they are very good up by the Ranger Station. Huckleberries on Knutson Saddle by Tumble Lake and Beachie Saddle by Elk Lake are poor this year.

Plan on repellent for mosquitoes in Jefferson Park. Other areas in the wilderness have mosquitos, but they have dwindled considerably.

The district has experienced quite a lot of escaped and forgotten campfires this summer. Please be sure you do not leave your campfire unattended and that it is dead out when you do leave.

The trail crew has completed work on the trails around Eight Lakes Basin, in and around Marion Lake, the Pacific Crest Trail 2000 from Santiam Pass for about four miles, all trails around Pa-

Former Resident Exchange Student

The following is from an article recently appearing in the Daily News of Longview, Wash., about an exchange student, Sally Haseman, the daughter of Mr. and Mrs. Richard Haseman, Jr. (Alona Daly) of Longview, but formerly of Mill City:

Sally Haseman, 17, Longview, left Sunday for a boarding school in rural Finland where she will reside for one year under the American Field Service Americans Abroad Program.

The daughter of Mr. and Mrs. Richard C. Haseman is not too familiar with her new school but she does know it is near Nurmes, has 38 students (10 boys and 28 girls) ranging in age from 16 to 21, and offers considerable prayer and Bible study in its program.

Few local AFS students have resided in a boarding school; most live in homes. Sally believes the experience will enable her to get to know more people better. She received a brochure on the school, the Nurmes Evangelic Institute, but it was all in Finnish. She did have it translated locally, however.

Sally, a senior at Mark Morris High School, will find a full schedule. Students rise at 7 a.m. and open the school day with ten minutes of morning prayer. After dinner, there are classes followed by two and one half hours of prayer. On Tuesdays and Thursdays there is a Bible study class.

Practical subjects include a choice of home economics, weaving, sewing and woodwork. Voluntary or extra subjects include arts, typing, music, discussion club (current topics), and travel.

The program also will include social studies, lectures, economics, English, sports, math, Finnish, coffee-breaks, hygiene, principal's hour, social politics, trade counseling and each Friday afternoon, cleaning and sauna bath.

Periodically, students will have a three-day weekend, but much of the time school is six days a week. Sundays are devoted to breakfast, church, coffee, singing, dinner and Parish night.

There also is much emphasis on music, which delights Sally because she plays guitar and used to play piano. In fact, her guitar doesn't have to figure in her 50-pound luggage allotment.

There are ten janitors and 20 teachers in the school, and it appears the only time English is spoken is in the English class. Sally thinks all other classes are taught in Finnish.

The Hasemans know it is a religious boarding school and assume it is Lutheran because some 98% of the Finnish people apparently are of that faith.

The nearest city is Nurmes, 1,000 population. The Nurmes Evangelic Institute is near a large lake and is approximately 80 miles from the Russian border and 500 miles from Helsinki.

Sally will join other AFS students in New York and fly to Paris and then head for three to four days of language camp in Helsinki before going to her destination.

"I've been encouraged to pack winter clothing," she said. Sally enjoys skiing, so looks forward to winter recreation. The brown-eyed young lady also likes to sew. She has been active in the Longview Community Church and in pep club, drama, AFS and ski club at Mark Morris. She plans to attend college, probably Lower Columbia, when she returns late next summer.

Sally applied for AFS last September, so the family has been thinking about and preparing for the possibility of her being accepted. Sally was notified July 28 that she would go to Finland.

Mrs. Haseman said, "We'll miss her and hope she writes often." Sally has two brothers, Thuck, 18, and Scott, 12. Sally says she will miss her friends, but is looking forward to her experience. "It's a once-in-a-lifetime opportunity," she added.

The school has waived all tuition and fees and Sally will have an AFS allowance of between \$18 and \$23 per month. She's grateful to AFS for the opportunity.

The above article was brought to Mary Kelly by Mrs. Floyd Bassett (formerly Rose Daly of Lyons) who is Sally's grandmother. Mrs. Kelly is Dick Haseman's aunt. He is a graduate of Detroit High School, and his wife graduated from MCHS here in 1952.

THOUGHTS ON LABOR DAY
This Labor Day America honors its working men and women who are enjoying the fruits of a productive system which makes it the envy of the world.
If we could condense the world's population into a hypothetical town of 1,000 persons, 56 would represent the United States. These Americans would receive more than one-third of the aggregate income of the entire community and produce six times as much per capita as everyone else.
Yet, surveys show, too many Americans have lost sight of the vital role high productivity—in both quality and quantity—continues to play in maintaining high living standards. Two-thirds of employed men and women nationwide view themselves primarily as consumers and spenders, rather than as the producers and workers necessary to fill these material needs.
We need to become more aware of our multiple roles of producer, consumer, employer and investor—interlocking responsibilities we must all shoulder if our highly complex economy is to serve us well in the future.
