IRS Says Gather Tax Records Now

The IRS reminds Oregon taxpayers to begin gathering their tax records now, in order to get a head start for preparing their 1975 income tax return.

Ralph B. Short, district director of IRS for Oregon, said cancelled checks, receipts, records of contributions, and other financial data will help taxpayers prepare an accurate 1975 federal income tax return.

New Guide To Basic Insurance Needs

What is "term" insurance? How does no-fault auto insurance work? What are the four basic types of homeowners insurance? These and other frequently asked questions are covered in a new insurance guide prepared by the Kemper Insurance Companies.

The booklet, simply titled "Guide," is a non-commercial description of options for people who may have had minimal exposure to insurance. It offers a clear, concise, common sense layman's language introduction to the intricate world of insurance coverage.

"We felt the best way to assure that consumers make the insurance choices best suited to them was to prepare a no nonsense, no sell book which anyone can use," James S. Kemper Jr., company president, stated.

"We believe the better informed consumers are, the better their buying decisions and, the better their buying decisions, the more satisfied they will be," Kemper said.

The booklet is available free in limited quantities by writing "Guide", Public Relations Department, Kemper Insurance Companies, Long Grove, IL 60049.

Completes Basic Training

MARK McCLINTOCK

Graduation ceremonies were held Tues., Dec. 16 at Ft. Knox, Ky. for Co. B, 19th Bn., 5th Bde. of the U. S. Army.

Among those graduating was Mark L. McClintock. Mark be-

gan his basic combat training on Oct. 31 at Ft. Knox, which is known throughout the U. S. Army as the Home of Armor and Cavalry. The major activity of this 110,000 acre installation is the training of young men to become soldiers. This is considered the third largest city in Kentucky. During January 1975, Ft. Knox became a limited access installation.

Mark's basic combat training taught him the fundamentals of soldiering. This training included military drill, physical training, rifle marksmanship, living under field conditions and other soldiering topics. Most of the instruction was given by drill sergeants, who are chosen from the most experienced and qualified non-commissioned officers in the army.

Upon the completion of this seven weeks, Mark is now ready to take his advanced individual training which will enable him to take his place as a skilled and valuable soldier in the U. S. Army. Mark will take his AIT at Ft. Polk, La. which will last from four to ten weeks.

A 1975 graduate of Santiam High School, he will spend the holidays with his family, Mr. and Mrs. Wm. McClintock and Sue.

Attending the U. S. Army graduation ceremonies at Ft. Knox, Ky. were Mark McClintock's cousins, Rev. and Mrs. Walter Griffith of Mitchell, Indiana. Rev. Griffith is pastor of the Presbyterian Church in Mitchell.
