For President
WILLIAM McKINLEY
of Ohio.

For Vice President
THEODORE ROOSEVELT
of New York

McKinley will doubtless carry Kentucky on account of the fight made against him by the Prohibitionists and ultra Methodists.

The Boers continue to keep the British going. No important battles are being fought, but a continued skirmish firing is kept up. General Buller's column has been fighting continuously for two weeks.

Since Senator Stewart, of Nevada, has abandoned Bryan, and since Colorado is said to be a doubtful state, and since Marion Butler is chummy with Hanna, what's the use of going on with an election?—Minneapolis Journal.

The Americans forced an entry to the Imperial Palace grounds on August 28th. A salute of twenty one guns was fired, and the troops of all nations participated in an impromptu celebration. The palace is vacant, excepting three hundred servants.

Portland Telegram: "If Candidate Wooley's campaigning has any effect at all, it is likely to be in favor of rather than against Mr. McKinley. Few voters have any sympathy with abuse of a President because he occasionally takes a sip of wine, and the best judgment of the country, including army officers, is that the law abolishing the army canteen was unwise."

Germany will not agree to evacuate the Imperial City in China. Emperor William is said to have declared he will mobilize the whole German army rather than have his troops leave Peking. The Chinese government is now said to have designated four peace commissioners—Li Hung Chang, Yung Lee, See Tung and Prince Ching. One of the latter is said to be unfriendly to foreigners.

In a letter to a friend, General Jackson on the 12th day of February, 1843, wrote: "On such subjects I thought with the ancient Roman, that it was right never to cede any land or boundary, but always to add to it by honorable treaty, thus extending the area of the Republic." Had old Andrew lived until this year he would find himself read out of the Democratic party as an imperialist. By the way, when he went to Florida as Governor he established a government without the consent of the governed, and, "by the eternal," the governed accepted it.—Reno Gazette.
