What Appears to be a Systemmatic Practice of Petit Larceny in Vogue in Eakeview.

Look out for your loose property. There are sneak thieves in Lakeview who would steal the shoes off your feet if they could get a chance. We regret to make this statement but it is a fact Lake county. Mr. Harvey raised nevertheless, and the nefarious work has been practiced frequently since the surprise to learn of somebody getting a load of lead in his anatomy one of these fine moonlight nights. It is well known that during the progress of the fire on the night of May 22d robbery and petit larceny were practiced by wholesale, and has been systematically continued since. Only tast week a townsman recognized. a coat and vest belonging to him, which he lost during the excitement incident to the fire, and which he supposed had been consumed. The garments

> Let every man in town become a selfappointed detective, and it will not be long until this petit larceny business is stamped out in Lakeview by bringing the guilty parties to justice. It might not be divulging a closely-guarded official secret in stating that one or two parties are already "spotted" and are on the "black list," and that there is a possibility of a big surprise in store for the people of this town in the near future. It might also be well to remind some people who pose as the acme of virtue that it has not been many years since Judge Lynch was a prominent character in Lakeview, and that some of our residents have not forgotten how to use the tar brush and feathers.
