

**"THE CHEWAUCAN POST."**

Such is the name of a six-column weekly newspaper to be established at Paisley, this county, by C. O. Metzker of Lakeview. Mr. Metzker has ordered his plant from the Pacific States Type Foundry in San Francisco, and it will be shipped to Termo within the week. We understand that the people of Paisley and Northern Lake county take kindly to Mr. Metzker's venture and will give it excellent support. While Paisley is a small town for a newspaper, still there have been many incidents within the writer's knowledge where newspaper ventures have succeeded in smaller communities than Paisley, and with the combined patronage of a growing business town and that of auxiliaries in the north—communities of Summer Lake and Silver Lake—there should be no doubt of the success of "The Chewaucan Post" from the start. When the people of Paisley and Summer Lake and Silver Lake become enthused on any proposition there is no stemming the tide of their enthusiasm, for they are warm-blooded people. Mr. Metzker should congratulate himself upon his good fortune in falling into the hands of such people, and the Examiner fears no contradiction when it says that congratulations should be mutual. We shall again refer to "The Chewaucan Post" upon receipt of its initial number.

**"Spelling Bees."**

Last Friday night the Coggswell Creek and Crane Creek schools were pitted one against the other in a spelling match, at the latter school house, and Miss Alice McGrath carried off the honors for Coggswell Creek. This is the second match and each school has a victory to its credit. The championship match will be held on Friday, December 21. This friendly rivalry between two district schools is interesting and instructive as well as commendable. All the people of both districts, take an active interest in the matches and much enthusiasm is manifested.

**Moving Pictures.**

The Edison Kinetoscope Company will give one of their up-to-date moving picture entertainments in Lakeview Opera House on Monday, December 17th. Don't miss this chance of a lifetime to see the latest invention of the Wizard Edison. It brings the streets of foreign cities and the battles and privations of our soldiers before you so realistically that you imagine you hear the bustle of trade and commerce and the dying shriek of our boys in blue as they go down in death before the withering volleys of the enemy.

Moral, clean, charming and endorsed by the clergy and all who see it. An hour and a half and nothing to offend the taste of the most fastidious.

**Lulu Snider-Johnson.**

Mrs. Lulu Snider Johnson, formerly Miss Lulu Snider of Lakeview, appeared at the Elks Memorial Session in Fort Wayne, Indiana, on December 1st, in the solo "My Redeemer," by Burk. The Fort Wayne Sentinel in reporting the program of the Elks Memorial Session, says that "Mrs. Johnson was a surprise. Her clear, melodious voice completely filled the Temple, and her clean phrasing, perfect modulation and charming expression showed at once excellent native talent and careful training and study."

**ISABEL M. WHORTON.**

DIED—Isabel M. Whorton (nee Isabel M. George), born in Siskiyou County, California, May 22, 1865; died in Lakeview, Oregon, December 8, 1900. (Yreka, Cal., and Eugene and Cottage Grove, Ore., papers please copy.)

The old church bell in the belfry tolled again last Sunday.

Its mournful notes told the sad tale over again—said in the dumb language that another loved one had crossed the dark river that separates life and eternity.

And then the funeral cortege slowly moved from the door of a sorrowful and blighted home to halt at the church steps, thence to the city of the dead, there to deposit beneath "the low green tent" the cold, dead form of a beloved wife and mother.

Dust thou art to dust returneth. It was not unexpected; it was no surprise, when on Saturday morning last at 8 o'clock the announcement was made that Belle Whorton was dead. Her friends had expected to hear the sad words at any moment, and were prepared. Conscious to the last, and fully aware that she was about to be summoned to solve the mysteries of death, she said a few parting words to the dear ones about her, and then went to sleep—the eternal sleep "that knows no waking."

At the church the good man whose duty called him to say the last few words for the departing spirit and a prayer for the salvation of the soul, feelingly referred to her last hours of life—joyful hours to her in which she had found Christ, and seemingly died in happiness.

Isabel M. Whorton was the beloved wife of Manly Whorton, sister of John O. George and mother of Georgie Whorton of Lakeview. Besides these relatives she has brothers, Carlton, Frank and Al. George; sisters, Mrs. Rose Pool, Mrs. Sabra Wise of Siskiyou county, Cal., and Mrs. Lottie Reed of San Francisco. And, amidst the pines of Siskiyou, an aged, gray-haired mother weeps in sorrow over her lost darling—weeps with the heartburns and sorrow that only a mother can feel.

Deceased came to Lakeview from Siskiyou county in 1885. On October 30, 1889, she became the wife of Manly Whorton. From this union there were two children, one little son who has "gone before," and the remains of the mother were buried by the side of her child. Rev. C. W. Raymond of the Methodist Church officiated at the funeral and delivered a most impressive sermon on "Death." His text was appropriate. He told of the three classes of death which come to human beings—the horrible death of the blasphemer who cursed God in life and waited until his dying moments before seeking salvation; the death of the one who lived a moral life, but, owing to circumstances surrounding that life, was not induced to seek God until the last hour—the "deathbed repentance;" and the death on the Cross at Calvary. The minister said many tender things regarding the life of Belle Whorton, and many in that crowded church were moved to tears.

She was a good woman, and, while death removes her from this sphere, she leaves behind numerous friends who will drop silent tears in memory of one they loved in life. The husband and little son, the mother, the brothers and sisters, and, lastly, the venerable father-in-law and mother-in-law, who loved her as their own child, have the deep sympathy of the community.

**Degree of Honor Resolutions.**

Since God in His Infinite Goodness and Wisdom has seen fit to remove from our midst our Beloved Sister, Fannie Tonningsen, we, the members of Lakeshore Lodge, No. 77, D. of H., A. O. U. W., most deeply deplore our loss, and offer to the grief-stricken family our sincere sympathies, hoping they may find consolation from Him "who doeth all things well."

In our submission to the will of God we sustain a loss irreparable. Sister Fannie Tonningsen was a most active and worthy member, having served as Trustee from the organization of our Lodge. To her is also due the honor of having given our Lodge its beautiful name.

The home is bereft of a loving wife and mother, the Lodge of a worthy and dutiful member and the community of an honored and respected citizen. May her virtues be emulated by all our beloved members.

Beloved Sisters and Brothers: May we so live that when the Dread Messenger calls for each of us it may be said of us, as of our Dear Sister—she hath lived well—may she rest in peace.

ANNA D. SHERLOCK,  
MARY E. SNIDER, } Committee.  
J. C. OLIVER,
