Paisley promises during her three days' racing in June to be anything but "slow." The citizens there will make it interesting for all visitors during the events on June 20, and 21, and 22. It is expected that horses will be there from all parts of the country, and especially from Lakeview. It is thought the purses will amount to about \$500.
Jesse Moore "AA" whiskey is used at all the principal hospitals in the United States. Why is it?
Miss Belle Hanan, one of Paisley's estimable young ladies, was successful in receiving the highest price paid for any basket at the basket social at that place on the evening of the 5th. The Post says the basket was a handsome one, and the strife to get possession of it was a warm one from the beginning. Everybody congratulated Miss Hanan.
Those famous little pills, DeWitt's Little Early Risers, will remove all impurities from your system, cleanse your bowels and make them regular. Lakeview Drug Co.

We call attention to an article in another column regarding the wool business of the country which is worthy of personal by everybody.
The reason physicians always recommend Jesse Moore "AA" whiskey is because they know of its absolute purity. Geo. Jammertal, sole agent.
Twelve men of Modoc county found a verdict for defendants, Trowbridge and Brown, in the celebrated case of Eades vs. Trowbridge, in the Modoc Superior Court last week, whereupon the court set aside the verdict, upon the ground that said verdict "is in violation of the Court's instructions, and the case will be appealed from that order."
Viewed through an inverted glass, Sometimes makes one see double; Thus four quarts of beer is apt To make a full peck of trouble.

The business men and citizens of Lakeview subscribed \$550 for the July races, and will probably subscribe several hundred more for celebration and baseball purposes. Last week while Jack Simmons was driving to the hay yard for a load of hay for the cattle on the Innes-Kellogg ranch (that windy day) a gust of wind lifted the rack off the wagon and carried it several rods and dropped it in a deep slough. Jack and all Jack says it wasn't baptism without ceremony either. However, he attended Sunday school the following Sunday.—Post.
There is a charm by sages often told, Converting all its troubles into gold; Content can soothe wherever by fortune placed, Can rest a garden in the desert waste.
The contented people about town are those who enjoy their drinks and smokes at Post & King's. 1-11
Sheepshearing commenced April 24 at several points in Umatilla county. The price for shearing is 7 cents for common sized sheep, although Charles Cunningham and other owners of large full-blood bucks are paying 10 to 25 cents. Sheepmen are not inclined to use the various sheepshearing devices that have been experimented with theretofore. It is alleged that sheep which have been shorn by this method yield a mutton that is blood-shot, which works against its sale.
Skin troubles, cuts, burns, scalds and chafing quickly heal by the use of DeWitt's Witch Hazel Salve. It is imitated. Be sure you get DeWitt's. Lakeview Drug Co.
Assessor Blair has completed the assessment in Silver Lake and Summer Lake valleys, and is now doing Chewaucan and Paisley. We understand the assessor is doing some great work, and his duty to the letter. He has a good idea of values and Lake county may look for an increase in the assessment this year, as Assessor Blair is not going to accept every man's statement without an investigation, when he believes the statement given is too low. LATER—Since the above was placed in type the assessor arrived in Lakeview to interview the people.
For a gentleman's smoke try a "Robert Mantel" or a "Zenda Bouquet" Havana cigar. For sale by Whorton & Fitzpatrick, only. 7-11

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years."—Anderson, Riggs, of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs. Lakeview Drug Co.

Oil in Modoc.

A dispatch from Reno under date of April 2, says that there is much excitement over the discovery of oil in Modoc county, but the location is not given. It is said that indications are more than favorable for a permanent flow. Several locations of oil lands have already been made, and Reno people are much interested. Doubtless the day is not far distant when oil will be found in Lake county, Oregon, as there are indications of petroleum deposits in many localities in this county. There are said to be almost perfect indications at various points on the desert.

The real estate in Lake county, belonging to the Frank Co., is now on the market for sale. No reasonable offer will be refused for any part of it. For full particulars call at or address this office, or Charles Umbach, Lakeview, Oregon. 1-11

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a cure. I cannot speak too highly of that excellent remedy."—Mr. T. K. Houseman, Mountaineer Pa. Lakeview Drug Co.
You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it. Lakeview Drug Co.

The hillsides are taking on their carpet of green.
