Something New and Valuable.

I have for sale (the exclusive right in Lake county) the famous "Many in One Fruit and Vegetable Press," for the first time introduced in this section. This is an apparatus that will take seeds out of berries, take strings out of turnips, cooks and peels potatoes, renders lard, stuffs sausages and does a hundred other things. This is a machine that is almost indispensable in a well regulated home. I will start out to canvass this county next week and will be pleased to show the workings of this press to all who wish to see it. The price for press complete is \$6. I will also sell territorial rights in this state. J. K. FURGERSON, 19-1m New Pine Creek, Ore.
