Representative Moody has just received a letter from Hon. F. H. Newell, Chief Hydrographer of the Geological Department at Washington, stating that he, with Gifford Pinchot, chief of the Forestry Bureau, will reach The Dalles about August 1, when they expect to join Mr. Moody on a drive through the semi-arid sections of Eastern Oregon. No itinerary will be fixed until the exact date of their arrival is known. However, the trip contemplated is from The Dalles to Prineville, thence via the headwaters of the Deschutes to Burns, Harney county, and, if time will permit, on through to Malheur County. Mr. Moody will make announcement of the route when it is determined upon, in order that the stockmen interested in pasturage on forest reserves and those interested in the reclamation of arid lands may have an opportunity to meet these gentlemen.

Summer complaint is unusually prevalent among children this season. A well developed case in the writer's family was cured last week by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy—one of the best patent medicines manufactured and which is always kept on hand at the home of your scribe. This is not intended as a free puff for the company, who do not advertise with us, but to benefit little sufferers who may not be within easy access of a physician. No family should be without a bottle of this medicine in the house, especially in summer time.—Lanning, Iowa, Journal. For sale by Beall's Drug Store. 26-5
