 Mrs. Joe Conrad of Lakeview will reside in the future with Mr. and Mrs. Wallace Taylor, at Chewaucan.

Lake City and Eagleville are each to have a jail. We would suggest that the Lake county court try and arrange with the Modoc Supervisors to purchase the Lake county jail. We have no use for a jail here, as the place is always vacant.  
 The Post says that Dell Bratman has returned from the Willamette valley where he went several weeks ago after some young cattle. He reports a good trip, with the exception of one night when an innocent little lamb stampeded his cattle on the Cascade mountains. He came over the old Military road.

B. Van Dorn of Silver Lake informed the Post that he would start on the 15th inst for Humboldt, California, with a band of horses.  
 Drink nothing but Jesse Moore whiskey and you'll always be happy. On sale at Whorton & Fitzpatrick's.  
 George Leonard of Davis Creek has taken "Lulu F.," the Summer Lake racer to his home, and will train her for the fall races at Alturas.

The real estate in Lake county, belonging to the Frankl Co., is now on the market for sale. No reasonable offer will be refused for any part of it. For full particulars call at or address this office, or Charles Umbach, Lakeview, Oregon.  
 Manny Howard, the noted horse and cattle rustler of Eastern Oregon, whom the stockmen have tried for the past 15 years to land in the penitentiary, was convicted of horse stealing in the District Court at Baker City on the 2d of July, after a hotly contested trial. Howard had been tried many times before, but always escaped conviction. He was regarded as the most dangerous stock rustler in the state.

For home use, for bar use, for physicians use, for everybody's use, Jesse Moore whiskey is always the best and is in most general command.  
 Louis Gerber has made an additional purchase of 700 head of mutton from John McElhinney of Lakeview to fill out a 2000 band for the first drive to the railroad.

 Dr. Witham made a trip to Silver Lake last week and spent the Fourth of July in that happy little town picnicing with the good people there. He reports a glorious time playing amusing games and indulging in other sports and exercises, says the Post. An enjoyable dance was had in the evening, which was largely attended. Silver Lakers never fail to entertain when they attempt it, and that is a good place to go to have a nice time and be treated kindly.

Post & King have the swellest resort outside of Oregon's big city. It is a popular place because nothing is handled there in the liquor and cigar line but standard brands.

Lakeview Drug Co.  
 Perry McDaniel came in from the sheep camp just after the Fourth to spend a few days. Perry has been prospering like all energetic woolgrowers of Lake county, and is reaping the benefits of his toil. He sold the wool from a thousand sheep this year at 10 1/4 cents, and his increase in lambs from the band was 102 per cent. This coming fall he intends to visit Texas, Arkansas and other states, and—well—he may bring Mrs McDaniel back with him from Texas.

When the quantity of food taken is too large or the quality too rich, heartburn is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let six hours elapse between meals and when you feel a fullness and weight in the region of the stomach after eating, indicating that you have eaten too much, take one of Chamberlain's Stomach and Liver Tablets and the heartburn may be avoided. **Up to the Minister.**  
 A few years ago Henry Craeger, a German farmer living north of Wheaton, Illinois, put his application into the camp there and it was voted on and accepted. He passed the physical examination, his certificate arrived and everything was ready for his initiation. Then his pastor, the gentleman who presides over the destinies of the church of which Craeger was a member, objected to his entering a secret order, and Craeger listened to the voice of his pastor, rather than that of duty and remained outside the Woodmen. Craeger died last week and his wife and children are out \$3,000, because the minister with more zeal than piety, with more cant than Christianity, more bigotry than religion, with more fanaticism than knowledge, with more foolishness than brotherly love, objected to his joining a secret society. It is now up to the minister to settle with the widow and the orphans. Will he do it? Not on your life.—Oregon Woodman.
