TO SAVE TIME. Merchants to be Wired Promptly.

Nevada California-Oregon Ry. Reno, Nevada, July 26th, 1901.

Messrs. Beach & McGarrey, Editors, The Examiner, Lakeview, Or.

The N-C-O Ry. has arranged to furnish to D. W. Earl & Co., Forwarders, with an additional copy of each N-C-O Ry. expense bill; the same to be forwarded by first mail to Consignees, in order that they may be advised promptly of all freight arriving at Terms for them, and be in a position to check the freight as received by the teamsters from time to time against copy of expense bill. In addition to this, I have also arranged to have the consignees notified by wire as shipments pass Reno; the object of this is to avoid losing time in sending teams to Terms for freight.

I have very pleasant recollections of my visit to your city, and hope to be able to renew the acquaintances I made there, in the near future. It is very seldom that I have had the pleasure of meeting any of the Lakeview people in Reno, but I hope to meet them more frequently in the future, and trust they will consider themselves at liberty to make this office their headquarters when to Reno. With kind regards, yours very truly,

J. H. Bussard.
