Delinquent Tax List For Lake County

Notice is hereby given, that by virtue of a warrant to me directed, issued out of the County Court of the State of Oregon for Lake County, commanding me to collect the delinquent STATE, SCHOOL and COUNTY TAXES for the year 1900, which warrant is attached to the list of unpaid and delinquent taxes for the year 1900 in said Lake County, and not having been able, after diligent search, to find any personal property within said County out of which to make the taxes hereinafter mentioned or any part of any of the same, I have levied upon the following described real property situated in Lake County, Oregon, and belonging to the several persons and parties hereinafter specified and named, a tabulated list of which said parties as their names appear upon said delinquent tax roll, together with the description of said lands, amount of costs of all and amount of taxes assessed against each person and each tract respectively, set opposite thereto, is as follows:

Table with columns: NAME OF TAX PAYER, DESCRIPTION OF LAND, AMT. OF TAXES ASSESSD., AMOUNT PAID, BALANCE DUE. Lists various property owners and their tax liabilities.

And I have levied upon each parcel of the above described real property, as the property of the several persons opposite to whose respective names the same is hereinbefore set forth, as the same appears assessed on said delinquent tax roll.

Now therefore, if each and all of said delinquent STATE, COUNTY and SCHOOL TAXES are not paid on or before Saturday the 31st day of August, 1901, at the hour of one o'clock p. m., I will, on said day and at said hour, at and in front of the east door of the Sheriff's Office in the County Court House of Lake County, Oregon, in the Town of Lakeview, sell at public auction to the highest bidder for cash all and each and every parcel of said above described lands, or so much thereof as may be necessary of each parcel thereof, to satisfy the several sums as hereinbefore set forth opposite to the names of the respective persons for taxes so assessed against said persons upon said parcels of land respectively, in said Lake County, Oregon for the year 1900 together with accruing costs and expenses as above set forth.

H. R. DENLAP, Sheriff of Lake County, Oregon. Dated this first day of August, 1901.

A Young Lady's Life Saved.

At Panama, Columbia, by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Dr. Chas. H. Utter, a prominent physician, of Panama, Columbia, in a recent letter states: "Last March I had as a patient a young lady sixteen years of age, who had a very bad attack of dysentery. Everything I prescribed for her proved ineffectual and she was growing worse every hour. Her parents were sure she would die. She had become so weak that she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhoea Remedy and as soon as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was feeling much better; inside of three days she was upon her feet and at end of one week was entirely well." For sale by Beall's Drug Store.

Chewaucan Notes.

From the Post. Numerous travelers are camped by the big bridge these days. It is a beautiful camping ground, on the bank of the river in a shady grove.

An order for parephernalia for an athletic club was sent off this week, and a club will be organized early in the fall to prepare for winter amusements. Now if the boys will all stand in, Paisley can have a first-class athletic club, as the talent is not lacking.

N. A. King and three sons, Ed, Ivan and Ray, and two nephews, Will King and Ed. Jeffery, arrived in Paisley Tuesday, from Portland by private conveyance. Mr. King has extensive stock and land interests in this valley where he will spend the greater part of his visit.

Ves. Benefield in referring to an item published in The Post a few weeks ago regarding Barry O'Farrell having hauled the biggest load of lumber ever hauled into Paisley, says that Sam Banister hauled 1700 feet with two horses here at one time—that out-does Barney, so he will have to get in the shade.

The chief sport here now is rabbit shooting. The pests are thick on the hill north of town and dig holes under Geo. Conn's fence, to get into his grain and alfalfa. Crowds go out of an evening and make a circuit of the big field, driving the bunnies to a corner where they are slaughtered by the hundreds. Parties are organized nearly every evening for the sport.

Mrs. Fred D. Jack (nee Lena Waters) is the mother of a bouncing boy. Mrs. Jack is the daughter of Mr. and Mrs. Jim Waters, formerly of Lakeview, but lately of Portland. She was married to an officer in the U. S. army, and a year ago he was ordered to Washington D. C. where they now reside. On July 15th, 1901, the little soldier boy came to brighten their home.

Dr. A. A. Witham informs us that his family are pretty apt to leave old England and come to Oregon to spend the rest of their lives. F. W. Witham, a brother of the Dr., who has been in this country for 9 years, and who recently went to England on a visit writes Dr. that he has got the old folks in the notion of coming. A younger brother, Herman, will come here to work in the drug store for the Dr. and he has written his parents that he will give them a life lease on his farm in Columbia county and put everything in good shape for them.

Astonished the Editor.

Editor S. A. Brown, of Bennettsville, S. C. was once immensely surprised. "Through long suffering from Dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters which helped her at once, and after using four bottles, she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For Indigestion, Loss of Appetite, Stomach and Liver troubles it's a positive, guaranteed cure. Only 50c at Beall's drug store.

Shot Himself Accidently.

Chewaucan Post.

A gentleman, who refuses to tell his name, but who is pretty generally known as "Dutch Henry," who herds sheep for W. J. Sherlock, came to town first of the week with a severely injured foot, caused by a bullet from a 25 Stevens rifle. He had been shooting at some birds, he says, and forgot that he had left the gun loaded when he quit shooting, and was fooling with the gun when it was accidentally discharged, the ball passing through the instep of his right foot. Dr. Witham dressed the wound and Mr. is getting along very nicely. He gives for a reason for refusing to divulge his name, that people will say another d—fool.

A Cure for Cholera Infantum.

"Last May," says Mrs. Curtis Baker, of Bookwalter, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days the time the child had fully recovered, and is now (nearly a year since) a vigorous, healthy girl. I have recommended this Remedy frequently and have never known it to fail in any single instance." For sale by Beall's Drug Store.
