LAKEVIEW, OREGON, AUG. 29, 1901.

Fell on an Open Knife.

Mr. and Mrs. Hayes Mulkey reached Willow Ranch last Thursday on the way to their home at Davis Creek, after visiting Lakeview. While eating lunch at the Ranch Mr. Mulkey slipped and fell to the ground with an open knife in his hand. The blade penetrated his left side and made a serious wound. A physician was called hastily from New Pine Creek, and the result of the wound has not been learned up to the hour of going to press, but it is thought not to be dangerous. Mr. Mulkey is a school teacher who recently wedded Miss Pearl George of Lakeview.

Going To Leave Lakeview.

Judge E. D. Sperry sold his fine residence property in Lakeview last week and will remove with his family within two weeks to Coquille, Coos county, on the coast. H. C. Whitworth was the purchaser of the Sperry home. Situated as it is in most picturesque spot at the mouth of Bullard canyon, Mr. and Mrs. Whitworth now have the most pleasant home in Lakeview. Judge Sperry informs us that he leaves Lakeview with many regrets, and his only reason for making the change is on account of his wife's health.

Ayres, Whitworth & Ayres.

We have it from parties interested that the firm of Geo. H. Ayres & Co. will change its name on the First of September to Ayres, Whitworth & Ayres. Mr. Irvin Ayres, Pacific Coast Manager of the American Can Co, becomes a partner, he is the uncle of Mr. Geo. Ayres and a man of means. The new firm intends to carry a very complete line of general merchandise and to sell as cheap as the market will allow.

Returned From Gridley.

Will Heryford, Wm. Egan and Alex. McCulley, who assisted I. N. Castle in the drive of 1000 head of cattle the latter bought from Heryford Bros., returned last week from Gridley, Butte county, where the cattle were separated. They all say they wouldn't live at Gridley for a fortune. The day they separated the cattle the thermometer registered 114 and the next day 118 in the shade. The party was absent a month.

Leonder Bros. Circus.

Leonder Bros. circus showed here three days during the week to a fairly good business. Owing to the fact that so many people are away from Lakeview and Goose Lake valley this company did not do so well as formerly. All who attended the performances were well pleased. The acrobatic features are worth the price of admission, and are as good as can be seen in any circus ring. Leonder Brothers are reliable.

Called Meeting A. F. & A. M.

A called communication of Lakeview Lodge 71, A. F. & A. M., will be held at Masonic Hall, Saturday evening, Aug. 31st, at 8 o'clock p. m. for work in the 2d Degree.

Visiting Brothers invited to attend.

Here's a Snap.

I have 20 head of yearling Heryford bulls, all of them registered, that I would sell at \$100 each—if taken at once.

F. O. BUNTING, 35-1mo

Tom A. Smith, the vehicle and agricultural agent of Baker & Hamilton, who was ill all last week in Lakeview, recovered sufficiently to go to the railroad at Termo last Saturday. His firm upon learning of his illness wired him to go to his home at Oakland until he fully recovered to resume his duties. L. E. C. Jordan took him as far as Alturas by private conveyance.

Mr. Ed Stewart, of Wisconsin, has been in Modoc some time purchasing mules for the Eastern market, says the Plaindealer. He has so far succeeded in purchasing 225, and left here yesterday to superintend their shipment. He will return and remain in Alturas and vicinity about two months. We understand he is paying a fair price for two-year-olds and up.

Whorton & Smith invite the public to call and see them in their new quarters where they have a fine stock of liquors and cigars, and a commodious club room and reading room. Nothing but the best of everything is served in their club room, and courteous treatment is given to all their patrons. The Whorton & Smith establishment is one of the finest north of Reno, Nevada. When you come to Lakeview drop in and see George and Pent.

Returned From Ashland.

G. Grimes returned home from Ashland last Friday, accompanied by Mrs. Grimes and her son George Syron. Mrs. Grimes has been visiting for some time at Drain. Mr. Grimes says it did him good to see a railroad again, but he saw no country on his trip that he would exchange any part of Lake county for. Some territory he passed through was famous for various things—some for snakes and rocks, some for fruit and prohibition, and others for baseball clubs. Grimes says Lake county is all right. At Ashland he talked with A. McCallen, Dr. Herndon, and G. W. Stephenson, the latter at one time proprietor of the livery stable here. Dr. Herndon has a beautiful home in Ashland, but cannot live there on account of asthmatic troubles. He will either return to Lakeview or go to Burns. The building of the First National Bank of which Mr. McCallen is cashier, is a fine one, and that gentleman has a fine home. Mr. Stephenson has been engaged in the horse business since leaving Lakeview.

Too Much For Lakeview.

A colored minstrel show appeared at the opera house Monday night, and notwithstanding Leonder Bros's circus was billed for the same night the colored gents got all the crowd. The show was about on the average of interior traveling aggregations, and no one who attended felt like asking for the return of their money at the box office. The dancing by "Piccaninny" George was about the best part of the performance, and the quartette singing was fairly good. It has always been a wonder to us why these traveling shows don't keep up to date in music and fun. They seem to think that any old "chestnuts" will do for the interior, and by so doing they injure other companies that might happen along with some merit in their make-ups. However, the colored minstrels did something while here that the writer has never heard of before—take the crowd and leave empty seats in the circus tent. Two such "wonderful" entertainments in one night is too much or Lakeview.

Interview With Manager.

An interview with Vice-President and Manager Dunaway of the N-C-O who went over the line last week with one of the owners, Mr. Moran of New York, the Reno Gazette says:

It is the intention of the company to extend the road further north. The sixteen mile extension to the border of Madaline plains will be completed in October.

"We can't get the rails before that time, but will make short work of laying them when they arrive. We have the grade practically done now. The town of Madaline will be our next stopping place, and we shall make that the end of the first division, which of necessity means repair shops of more or less magnitude."

He said that he had no doubt that the road would be extended as far as Lakeview, Oregon, anyway.

Going to Ohio.

Mr. and Mrs. Gus Schlager and child, and Misses Gertrude and Annie Schlager, leave to-day for Yreka. Mrs. Schlager will remain in Yreka a few days visiting relatives and friends, and then go to her old home, Geneva, Ohio, on an extended visit to her mother and other relatives. Mrs. L. P. Clippenger will meet Mrs. Schlager at Montague and will accompany her to Ohio. Mrs. Clippenger will visit her mother at Salem, Ohio, her birthplace, which she has not seen for many years. She will also visit other places in Ohio and extend her visit to New York. Both ladies expect to remain East during the winter. Mr. Schlager will remain in Yreka a couple of weeks visiting old friends.

Armstrong at Puyallup.

The Examiner is in receipt of a letter from Ed. Armstrong, the contractor, who left here several months ago for Seattle. Mr. Armstrong has purchased a home place at Puyallup, Washington, nine miles from Tacoma, and says he is very much pleased with the country. The letter says: "We have done without The Examiner just about long enough—haven't seen a copy of your paper since June 1st—so send it along at once. If the people here treat us as well as they did in Lakeview we will have no kick coming. Give my regards to all friends."

St. Mary's.

Studies will be resumed at St. Mary's Academy, Jacksonville, Ore., the first Monday in September.

Notice of Special Meeting.

NOTICE IS HEREBY GIVEN, to the officers and members of Lakeview Lodge No. 68, I. O. O. F., that there will be a special meeting of said lodge at the I. O. O. F. hall in Lakeview, Oregon, on Wednesday evening, September 11th, 1901, at which time Hon. J. H. Nelson, Grand Master, I. O. O. F. for the State of Oregon will be present. J. W. MOORE,
Noble Grand.

WE have many new customers each season coming to our establishment who tell us they always understood that we handled good quality of goods. Our reputation with our customers is not made by any particular line of goods we have, but by the general excellence of every article in our stock. We acknowledge we carry good quality of goods. This refers to our cheaper goods in just the same degree as to those of the very best quality.

In ordering our goods we give just as particular attention to the durability, the substantial make and the superior quality of the low priced goods as we do to the medium and better grades, but our assortment is mainly confined to the medium and better grades.

The strength of our lines is apparent when you look at our stock, and for Spring and Summer we venture to assert that there is not another stock of goods in the country that is equal to ours in its wonderful variety, in its great range of price, in its particular style of everything that we show.

We solicit the business of the people of Southeastern Oregon and can readily convince them that we are the best house to trade with in this entire region.

IT LOOKS

As if we had experienced a landslide of gloves--such a variety. We'd much prefer they'd be on "your hands." We're going to "palm" them off this week. Better have a "hand" in the deal. Cost nothing to "see."
