THE GAME AT SURPRISE

Lakeview Has Good Little Boys But They Can't Play Ball For Shucks.

The last issue of the Cedarville Record contains the following details of the baseball game between Lakeview and the Surprise Valley team:

Last Tuesday evening a portion of the Lakeview baseball club, consisting of Messrs. Wm. Gunther, Fent Smith, Earnest Brown, Manly Whorton, C. Easter and Warner Snider, arrived here, and were joined by Chas. and "Bogs" Warner of Alturas to play ball with the Cedarville club. Being short one man, Lee Dacy of this place "took the oath of allegiance" and the Lakeview club was complete. At 2 o'clock Wednesday a fair sized crowd had gathered at the ball ground to witness the contest between the "gladiators of the diamond." Some good ball playing was done, but the home team was too much for the visiting team and the game came to a close, with the last half of the eighth not being played by the victors, as follows:

Lakeview, 0 0 0 1 2 1 0 0 3-7
Cedarville, 0 3 5 4 1 0 0 1-14

On Thursday the same teams again faced each other, and up to the 7th inning good ball was played, the score standing 3 to 6, when Lakeview "let loose" and Cedarville ran up 7 tallies to their credit. From that time on the result was plain, and with half of the 9th inning to the Cedarville club's credit the score stood as follows:

Lakeview 0 0 0 1 2 0 0 0 3
Cedarville 0 3 3 2 1 0 7 3-16

Thus giving the game to the home team. Some fine plays were made. Irwin Kistler took in some pretty and hot flies. John Carter made a neck to neck race with a home run, but the umpire ruled him out. "McCormick" made a neat home run by landing the ball way beyond the fielders. In fact a good many neat plays were made by both clubs.

Lakeview has no cause to feel aggrieved at her club. They are nice, gentlemanly young men, a credit to any town, and had they crossed bats with any other club north of Sacramento or in Southern Oregon, they would undoubtedly have defeated them, but the Cedarville boys were too much for them and won out simply by playing first class ball. They took their defeat cheerfully, and conducted themselves above reproach and made many friends while here.

The Cedarville boys wore their honors with becoming modesty, and we of Cedarville cannot help but feel proud of them. The attendance was hardly as large as could have been desired, owing to the busy time of the year, the gate receipts being \$50. Thursday evening a social ball was indulged in and a pleasant time was had by all.

Talented People to Come Here.

The Examiner is in receipt of a letter from Mr. and Mrs. Fred Moore, late of the Rudewin Company, who are now teaching a class in elocution at Klamath Falls. These talented people express their delight at the prospect of returning to Lakeview for the winter and organizing a class in elocution, besides giving some plays for the winter months with the assistance of local talent. The matter is now in the hands of a few of our young ladies, who will endeavor to organize a class for Mr. and Mrs. Moore. There is little doubt that a large class can be gotten up, and an invitation will be forwarded to the Moore's to come to Lakeview.

This is Pretty Dry.

Cedarville Record:—A. L. Page, who has just returned from Missouri, says, in substance that: There have been times so dry in the western part of that state you would have to soak a hog over night before he would hold swill. There are places out there where water is wet only on one side. I know one place where the owner of a ferry boat hauls water most of the time to keep his boat running. Water is so scarce in some parts that men won't drink it. Why they used to have to run a well through a wringer to get enough water for coffee.

An Eventful Trip.

May Lighty, junior member of this firm, and Miss Della Smith left here last Friday for a short visit to Reno, returning Tuesday, says the New Era. They had a pleasant trip, though somewhat an eventful one, as on their way to Reno they were delayed half a day by a wrecked train near Doyle, while on their journey home their train was wrecked near Amedee and five cars thrown off the track. No one was hurt in the first wreck, but in the second a train hand was very badly injured, while the express agent was bruised up considerably.
