LAKEVIEW, OREGON, SEPT. 5, 1901.

Mrs. Jos. Howard of Drews Valley, Lake county, accompanied by her daughter, and Miss Jean Tonningsen, arrived Thursday. The young ladies will enter St. Mary's Academy at Jacksonville, says Town Talk of Ashland.

W. D. Sharp, the cigar manufacturer, went out to Bly last week to meet Mrs. Sharp and little son, who were enroute from Portland. The party arrived Friday evening and are guests at Hotel Lakeview. Mrs. Sharp thinks Lakeview a long distance from the railroad, but she believes she will like the town.

F. O. Bunting of the Drews Valley Hereford Stock Farm, started Wednesday morning for Sacramento where he will attend the California State Fair for a week, and then visit the Nevada State Fair at Reno, which opens on the 16th inst. Mrs. Bunting accompanies her husband, and they will be absent about thirty days.

Eugene Ede met with a painful accident last Thursday while unloading hay at Barry's stable. Ash Farrington was in the mow, and was coming down to assist him in pitching. He dropped the pitchfork down into the wagon as he supposed, but one tine caught Ede's right hand and the sharp point ran through the palm, causing a most painful wound.

A party of jolly serenaders visited numerous residences in Lakeview last Thursday night, and entertained the inmates with some sweet vocal music with guitar accompaniment. It was the first genuine serenade the writer has listened to in Lakeview and it was certainly a pleasing innovation. Some of our best and jolliest people made up the party, and had a pleasant evening.

Reid Bros. have sold to John McElhinney of Lakeview the 43 head of bucks advertised for two weeks in The Examiner. This is another instance that advertising in The Examiner brings good results. Mr. McElhinney says he read the ad. in this paper, and went straightway and bought the bucks. When you want to buy or sell anything, place an ad. in these columns.

A refreshing rain fell throughout this vicinity last Sunday afternoon. For the day and night the government instrument marked .07 of an inch. The storm extended a considerable distance in every direction, and particularly did it rain hard up north. Up the canyons and in the vicinity of the Water Company's springs, it was a genuine down-pour, and the dry creeks became rushing rivulets.

Lord and Mrs. Talbot were here several days during the past week. Lord is the well known representative of Trieste Bros., manufacturers of fine hats, and he has many patrons in Lakeview. Mrs. Talbot is a pleasant and prepossessing lady and during her visit here formed numerous acquaintances among the Lakeview ladies. She likes the trip and will visit Lakeview again. They went West Tuesday.

Misses Ottie and Lena Snelling, the two eldest daughters of A. F. Snelling, at one time county clerk of this county, arrived here last Thursday from North Yakima, Washington, in company with R. R. Tandy. The Misses Snelling resided in Lakeview during their childhood, and are having a pleasant visit with relatives and old friends of their family. They are guests this week of their aunt, Miss Delia Snelling.

R. R. Tandy, an old citizen of Lake county, arrived last Thursday from North Yakima, Washington, and will remain here some time attending to business affairs. He desires to dispose of all his property in this section, as his health is greatly impaired, and he can no longer stand the trips here to attend to his affairs. About a year ago Mr. Tandy met with an accident in falling from a wagon from which he sustained serious injuries about the head, and he has never fully recovered.

Mr. and Mrs. W. A. Massingill and daughter Bernice, and Mr. and Mrs. A. Y. Beach and daughter Marie, and Miss Ella Pratt returned from Camp Ideal on Deep Creek last Thursday, after a two weeks' stay. But for the accident to Mrs. Beach, in which she cut her foot badly with an ax, and the loss of a span of horses, the trip would have been a thoroughly enjoyable one. George Hankins came to the rescue with a team and the party came home. Mrs. Beach is slowly recovering from her accident.

Town Council Meeting.

At a regular meeting of the Town Council held Tuesday evening last, new rules were formulated regarding the payment of electric light bills, which make it imperative that all patrons of the service pay such bills on or before the 5th day of each month. The money from the electric light service is needed for running expenses.

The street committee reported favorable progress on the town well, and that the stone walling of the well would be completed in eight days.

The council granted a franchise to run for 50 years to the Lake County Telephone and Telegraph Company, which allows said company to place poles and wire on all the streets and alleys of the town.

Col. Graham's Specialty Co.

Col. Graham's Specialty Co. sent an announcement to The Examiner last Tuesday night that the company would play here on Saturday evening, Sept. 14th. As the hall had been engaged by Senator Hamden for that evening, The Examiner tried to find the agent by wire along the line, to inform him of the fact, but failed, and we now announce that the Col. Graham Specialty Co. will play in Lakeview at a date to be found in the next issue of this paper. It is said to be a good show, and "our own" Prof. Graham is one of the owners. Watch for date next issue.

Fine Beef Sold.

Al. Henderson, representing the Western Meat Co. bought, two weeks ago, 230 head of beef cattle from Cressler, the Cedarville banker. The cattle were sold from Cressler's Big Valley ranch and we understand brought \$32 and \$35 per head. At the same time Henderson bought from Dan P. Browne, of Bidwell, 90 head of 3 and 4 year-old steers. These cattle were as fine a lot as ever went to market and were taken from Browne's Big valley pasture. They brought \$40 per head.

Horse Commits Playhem.

Mr. Moore from Chewaucan was in town this week. He reports a serious accident to Charlie Trumbo, of the ZX ranch, last week. One of the employes was riding a colt and the bucking animal was about to get the best of the contest, when Trumbo made a grasp for the "hackamore." The colt turned his head and bit off the thumb of Trumbo's right hand.

Susanville had another fire last week in which a planing mill and fire hose house were destroyed. The old fire bell, which for years rang out the alarms, also sounded its own death knell and was lost. Just after the great Lakeview fire of May 22, 1900, Susanville suffered a like conflagration, though not so heavy as ours. Among the many new buildings that now grace the streets of that enterprising town on the old site is a fifty thousand dollar hotel. The recent fire carried with it only a loss of \$3,400.

W E have many new customers each season coming to our establishment who tell us they always understood that we handled good quality of goods. Our reputation with our customers is not made by any particular line of goods we have, but by the general excellence of every article in our stock. We acknowledge we carry good quality of goods. This refers to our cheaper goods in just the same degree as to those of the very best quality.

In ordering our goods we give just as particular attention to the durability, the substantial make and the superior quality of the low priced goods as we do to the medium and better grades, but our assortment is mainly confined to the medium and better grades.

The strength of our lines is apparent when you look at our stock, and for Spring and Summer we venture to assert that there is not another stock of goods in the country that is equal to ours in its wonderful variety, in its great range of price, in its particular style of everything that we show.

We solicit the business of the people of Southeastern Oregon and can readily convince them that we are the best house to trade with in this entire region.
