Mr. McKinley's first thought after be-  
ing shot at Buffalo was of his wife. "Be  
careful about her; don't let her know,"  
he said. His second thought was of the  
miscrater who had tried to kill him  
while the President was extending his  
hand in greeting. "Let no one hurt  
him," said Mr. McKinley. In those  
two utterances in what must have seem-

the personal qualities of the man whom  
Senator Hoar calls "the best beloved of  
all our Presidents."

ball being played at Alturas last Friday

Mr. Chandler, proving property and  
paying for this notice. 35-4

The watermelon season this year has  
been an ideal one for Lake county grow-  
ers, also for those that eat them. Usual-  
ly when the melon crop is ripe the  
weather is so cool that to eat them one  
must put on an overcoat and sit down  
by a fire. But this year it is different,  
in fact several days last week there was  
considerable complaint about the heat  
and the thermometer stood at 90 and 91  
for several days.

Josh Westhafer, of Loogootee, Ind., is  
a poor man, but he says he would not be  
without Chamberlain's Pain Balm if it  
cost five dollars a bottle, for it saved him  
from being a cripple. No external ap-  
plication is equal to this liniment for  
stiff and swollen joints, contracted mus-  
cles, stiff neck, sprains and rheumatic  
and muscular pains. It has also cured  
numerous cases of partial paralysis. It

Prof. F. L. Dahn, a finished player on  
the violin and clarinet, and a teacher on  
these and other instruments arrived here  
last Thursday from San Francisco, to re-  
side. Mr. Dahn is also a first-class  
painter and paper hanger, and secured  
employment in that line the day follow-  
ing his arrival. He has been a teacher  
for many years and thoroughly under-  
stands music; at the present time he ar-  
ranges music for the McMillan Publish-  
ing Co. of Chicago. Mr. Dahn has a  
wife and family of three children, who  
will join him here later on. The band  
will be reorganized this week under his  
leadership, and with the addition of Prof.  
Graham who taught the band last year,  
Lakeview can boast of the best band they  
ever had.
